THIS DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS for Homecoming, (“Declaration”) is made as of the date set forth on the signature page hereof by PS Homecoming, LLC, a Georgia limited liability company (the “Declarant”).

Declarant is the owner of the real property described on Exhibit “A,” which is attached and incorporated by reference. This Declaration imposes upon the Properties mutually beneficial restrictions under a general plan of improvement for the benefit of the owners of each portion of the Properties and establishes a flexible and reasonable procedure for the overall development, administration, maintenance and preservation of the Properties. In furtherance of such plan, this Declaration provides for the creation of Homecoming Community Association, Inc., to own, operate and maintain Common Areas and to administer and enforce the provisions of this Declaration, the By-Laws, and the Design Guidelines (capitalized terms are defined in Article 1 below).

Declarant hereby declares that all of the property described on Exhibit “A” and any Additional Property subjected to this Declarant by Supplemental Declaration shall be held, sold, used and conveyed subject to the following easements, restrictions, covenants, and conditions which shall run with the title to the real property subjected to this Declaration. This Declaration shall be binding upon all parties having any right, title, or interest in any portion of the Properties, their heirs, successors, successors-in-title, and assigns, and shall inure to the benefit of each owner of any portion of the Properties.

This document does not and is not intended to create a condominium within the meaning of O.C.G.A. § 44-3-70, et seq. nor a property owners' development within the meaning of O.C.G.A. § 44-3220, et seq.

The term shall include within its meaning, by way of illustration but not limitation, single-family detached houses on separately platted lots, as well as vacant land intended for development as such, but shall not include property owned by the Association or property dedicated to the public.

In the case of an unplatted parcel of land, the parcel shall be deemed to be a single Lot until such time as a subdivision plat is filed with respect to all or a portion of the parcel. ARTICLE 2. PROPERTY RIGHTS

2.1 Common Area: Every Owner shall have a right and nonexclusive easement of use, access, and enjoyment in and to the Common Area, which is appurtenant to and shall pass with the title to each Lot, subject to:

- (a) This Declaration and all other Governing Documents;
- (b) Any restrictions or limitations contained in any deed conveying such property to the Association;
- (b) The right of the Board to adopt, amend and repeal rules regulating the use and enjoyment of the Common Area, including rules limiting the number of guests who may use the Common Area;
- (c) The right of the Association to rent, lease or reserve any portion of the Common Area to any Owner for the exclusive use of such Owner and such Owner's Occupants upon such conditions as may be established by the Board;
- (d) The right of the Board to suspend the right of an Owner to use any recreational and social facilities within the Common Area pursuant to Section 4.3;
- (e) The right of the Board to impose reasonable requirements and charge reasonable admission or other use fees for the use of any facility situated upon the Common Area;
- (f) The right of the Board to permit use of any facilities situated on the Common Area by persons other than Owners, their families, lessees and guests upon payment of reasonable use fees, if any, established by the Board;
- (g) The right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred;
- (h) The right of the Association, acting through the Board, to dedicate or transfer all or any portion of the Common Area, subject to any approval requirements set forth in the Governing Documents; and
- (i) The right of the Declarant to conduct activities and establish facilities within the

Properties as provided in Article 13.

Any Owner may extend such Owner's right of use and enjoyment to the members of such Owner's family or any other Occupant, subject to reasonable regulation by the Board. An Owner who leases such Owner's Lot shall be deemed to have assigned all such rights to the lessee of such Lot; provided however, the Owner shall remain responsible for payment of all assessments and other charges.

2.2 No Partition. Except as permitted in this Declaration, there shall be no judicial partition of the Common Area. No Person shall seek any judicial partition unless the portion of the Common Area which is the subject of such partition action has been removed from the provisions of this Declaration. This Section shall not prohibit the Board from acquiring and disposing of other real property which may or may not be subject to this Declaration.

2.3 Condemnation: The Association shall be the sole representative with respect to condemnation proceedings concerning Common Area and shall act as attorney-in-fact for all Owners in such matters. Whenever any part of the Common Area shall be taken by or conveyed under threat of condemnation to any authority having the power of condemnation or eminent domain, each Owner shall be entitled to written notice of such taking or conveyance. The Board may convey Common Area under threat of condemnation only if approved by Members holding at least sixty-seven percent (67%) of the total Class "A" votes in the Association and, during the Development Period, the written consent of the Declarant. The award made for such taking or proceeds of such conveyance shall be payable to the Association.

If the taking or conveyance involves a portion of the Common Area on which improvements have been constructed, the Association shall restore or replace such improvements on the remaining land included in the Common Area to the extent available, unless within sixty (60) Days after such taking Members holding at least sixty-seven percent (67%) of the total Class "A" vote of the Association and, during the Development Period, the Declarant shall otherwise agree. Any such construction shall be in accordance with plans approved by the Board and the ARB. The provisions of Section 6.1(c) regarding funds for the repair of damage or destruction shall apply.

If the taking or conveyance does not involve any improvements on the Common Area, or if a decision is made not to repair or restore, or if net funds remain after any such restoration or replacement is complete, then such award or net funds may be used by the Association for such purposes as the Board shall determine.

2.4 View Impairment. Neither the Declarant nor the Association guarantees or represents that any view from Lots over and across the Common Area will be preserved without impairment. Neither the Declarant nor the Association shall have the obligation to prune or thin trees or other landscaping, and both shall have the right, in its sole discretion, to add trees and other landscaping or to install improvements or barriers (both natural and artificial) to the Common Area from time to time. Any such additions or changes may diminish or obstruct any view from the Lots and any express or implied easements for view purposes or for the passage

of light and air are hereby expressly disclaimed. Each Owner, by acceptance of a deed, acknowledges that any view from the Lot as of the date of the purchase of the Lot may be impaired or obstructed by the natural growth of existing landscaping, the installation of additional trees, other landscaping or other types of improvements or barriers (both natural and artificial) on the Common Area.

ARTICLE 3. MEMBERSHIP AND VOTING RIGHTS

3.1 Membership. Every Owner shall be a Member of the Association. There shall be only one (1) membership per Lot. If a Lot is owned by more than one (1) Person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in Section 3.2(d) and in the By-Laws. The membership rights of an Owner which is not a natural person may be exercised by any officer, director, member, manager, partner or trustee of such Owner, or by any individual designated from time to time by the Owner in a written instrument provided to the secretary of the Association.

3.2 Voting. The Association shall have two (2) classes of membership, Class "A" and Class "B."

a Class "A". Class "A" Members shall be all Owners except the Class "B" Member, if any. Each Class "A" Member shall have one (1) equal vote for each Lot in which he or she holds the interest required for membership under Section 3.1; provided however, there shall be only one (1) vote per Lot and no vote shall be exercised for any property which is exempt from assessment under Section 8.9. All Class "A" votes shall be cast as provided in Section 3.2(d) below.

(b) Class "B". The sole Class "B" Member shall be the Declarant. The rights of the Class "B" Member, including the right to approve, or withhold approval of, actions proposed under the Governing Documents, are specified in the relevant sections of the Governing Documents. The Class "B" Member may appoint a Majority of the members of the Board of Directors until the first to occur of the following:

(i) when one hundred percent (100%) of the total number of Lots permitted by the Master Plan for the property described on Exhibits "A" and "B" have certificates of occupancy issued thereon and have been conveyed to Persons other than Declarant or Builders;

(ii) December 31, 2030; or

(iii) when, in its discretion, the Class "B" Member so determines and voluntarily relinquishes such right.

At such time, the Class "B" membership shall terminate and Declarant shall be a Class "A" Member entitled to one (1) Class "A" vote for each Lot which Declarant owns. After termination of the Class "B" membership, the Declarant shall have a right to disapprove actions

of the Board, the ARB, and committees as provided in the Declaration.

c) Additional Classes of Membership. The Declarant may, by Supplemental Declaration, create additional classes of membership for the owners of Lots within any Additional Property made subject to this Declaration pursuant to Article 7, with such rights, privileges and obligations as may be specified in such Supplemental Declaration, in recognition of the different character and intended use of the property subject to such Supplemental Declaration.

d) Exercise of Voting Rights. If there is more than one (1) Owner of a Lot, the vote for such Lot shall be exercised as the co-Owners determine among themselves and advise the secretary of the Association in writing prior to the vote being taken. Absent such advice, the Lot's vote shall be suspended if more than one (1) Person seeks to exercise it. No vote shall be exercised on behalf of any Lot if any assessment for such Lot is delinquent.

ARTICLE 4. RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

4.1 Function of Association. The Association shall be the entity responsible for management, maintenance, operation and control of the Area of Common Responsibility and all improvements thereon. The Association shall be the primary entity responsible for enforcement of this Declaration and such reasonable rules regulating use of the Properties as the Board may adopt pursuant to Article 10. The Association shall also be responsible for administering and enforcing the architectural standards and controls set forth in this Declaration and in the Design Guidelines. The Association shall perform its functions in accordance with the Governing Documents and the laws of the State of Georgia.

4.2 Personal Property and Real Property for Common Use. The Association may acquire, hold, and dispose of tangible and intangible personal property and real property. Declarant and its designees, with Declarant's prior written consent, may convey to the Association improved or unimproved real estate, or interests in real estate, located within the property described in Exhibits "A" or "B," personal property and leasehold and other property interests. Such property shall be accepted by the Association and thereafter shall be maintained by the Association at its expense for the benefit of its Members, subject to any restrictions set forth in the deed or other instrument transferring such property to the Association. Declarant shall not be required to make any improvements or repairs whatsoever to property to be conveyed and accepted pursuant to this Section. Upon written request of Declarant, the Association shall reconvey to Declarant any portion of the Properties originally conveyed by Declarant to the Association for no consideration, to the extent conveyed by Declarant in error or needed by Declarant to make adjustments in property lines, provided that the reconveyance has no material adverse effect upon the rights of the Owners.

The Association agrees that the Common Area, including all improvements thereon, shall be conveyed in its "where is, as is" condition and without recourse, and Declarant disclaims and makes no representations, warranties or other agreements express or implied with respect thereto,

including without limitation, representations or warranties of merchantability or fitness for the ordinary or any particular purpose, and representations or warranties regarding the conditions, design, construction, accuracy, completeness, adequacy of the size or capacity in relation to utilization or the future economic performance or operations of the Common Area. No claim shall be made by the Association or any Owner relating to the condition, operation, or completeness of the Common Area or for incidental or consequential damages arising there from. Declarant will transfer and assign to the Association, without recourse, all warranties which it receives from manufacturers and suppliers relating to any of the Common Area which exist and are assignable.

4.3 Enforcement. The Board or any committee established by the Board, with the Board's approval, may impose sanctions for violation of the Governing Documents after compliance with the notice and hearing procedures set forth in Section 3.22 of the By-Laws. Such sanctions may include, without limitation, the following:

- (i) imposing monetary fines which shall constitute a lien upon the Lot of the violator;
- (ii) filing notices of violations in the Public Records providing record notice of any violation of the Governing Documents;
- (iii) suspending an Owner's right to vote;
- (iv) suspending any Person's right to use any recreational facilities within the Common Area; provided however, nothing herein shall authorize the Board to limit ingress or egress to or from a Lot; and
- (v) suspending any services provided by the Association to an Owner or the Owner's Lot if the Owner is more than thirty (30) Days delinquent in paying any assessment or other charge owed to the Association.

In the event that any Occupant of a Lot violates the Governing Documents, the Board or any committee established by the Board, with the Board's approval, may sanction such Occupant and/or the Owner of the Lot that the violator is occupying or visiting. If a fine is imposed, the fine may first be assessed against the occupant; provided however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Board.

In addition, the Board may elect to enforce any provision of the Governing Documents by exercising self-help (specifically including, but not limited to, the filing of liens in the Public Records for non-payment of assessments and other charges, the towing of vehicles that are in violation of parking rules, the removal of pets that are in violation of pet rules, or the correction of any maintenance, construction or other violation of the Governing Documents) without the necessity of compliance with the procedures set forth in the By-Laws. The Association may levy Specific Assessments to cover all costs incurred in exercising self-help and in bringing a Lot into compliance with the terms of the Governing Documents.

The Association may also elect to enforce any provisions of the Governing Documents by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedures set forth in the By-Laws.

All remedies set forth in this Declaration and the By-Laws shall be cumulative of any remedies available at law or in equity. If the Association prevails in any action or remedy taken by the Association to enforce the provisions of the Governing Documents, the Association shall be entitled to recover all costs, including, without limitation, reasonable attorneys' fees and court costs, incurred in such action, regardless of whether suit is filed and including any appeals.

The Association shall not be obligated to take action to enforce any covenant, restriction, or rule which the Board in the exercise of its business judgment determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action. Any such determination shall not be construed a waiver of the right of the Association to enforce such provision under any circumstances or prevent the Association from enforcing any other covenant, restriction or rule.

The Association, by contract or other agreement, may enforce county, city, state and federal laws and ordinances, if applicable, and permit local and other governments to enforce laws and ordinances on the Properties for the benefit of the Association and its Members.

4.4 Implied Rights; Board Authority. The Association may exercise any right or privilege given to it expressly by this Declaration or the By-Laws, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in the Governing Documents or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

4.5 Indemnification. The Association shall indemnify every officer, director, ARB member and committee member against all damages, liabilities, and expenses, including reasonable attorneys'

fees, incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, ARB member or committee member, except that such obligation to indemnify shall be limited to those actions for which liability is limited under this Section, the Articles of Incorporation and Georgia law.

The officers, directors, ARB members and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers, directors, ARB members, and committee members shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers, directors, ARB members or committee members may also be Members of the Association). The Association shall indemnify and forever hold each such officer, director, ARB member and committee member harmless from any and all liability to others on account of any such contract, commitment or action. This right to indemnification shall not be exclusive of any other rights to which any present or former officer; director, ARB member or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and directors and officers liability insurance to fund this obligation, if such insurance is reasonably available.

4.6 Dedication of/or Grant of Easements on Common Area. The Association may dedicate or grant easements across portions of the Common Area to Troup County, Georgia, City of LaGrange, Georgia, or to any other local, state, or federal governmental or quasi-governmental entity, or to any private utility company.

4.7 Security. Each Owner and Occupant of a Lot shall be responsible for such Owner or Occupant's own personal safety and the security of their property in the Properties. The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. Neither the Association nor Declarant shall in any way be considered insurers or guarantors of security within the Properties, nor shall either of them be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. No representation or warranty is made that any system or measure, cannot be compromised or circumvented, nor that any such system or security measure undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended.

Additionally, no representation or warranty is made that the lighting facilities or systems (including the placement thereof) will adequately illuminate or attempt to adequately illuminate all of the Common Areas, or that such facilities or systems will be designed with safety measures in mind. Each Owner acknowledges, understands and covenants to inform such

Owner's Occupants that the Association, its Board of Directors and committees and Declarant are not insurers or guarantors of safety and security within the Properties and that each Person using the Properties assumes all risks of personal injury and loss or damage to property, including Lots and the contents of Lots, resulting from acts of third parties.

4.8 Trails. Declarant reserves for itself, its successors and assigns, and the Association, the right to designate certain areas within the Properties, including the Common Area, to be used as recreational bike and pedestrian pathways and trails (the "trail system"). Each Owner acknowledges, understands and covenants to inform the Occupants of such Owner's Lot, that the Properties may contain a trail system and that there may be certain inconveniences and loss of privacy associated with the ownership of Lots adjacent to such trail system resulting from the use of the trail system by the Declarant, the Association, its Members, their Occupants and the public. Each Owner and Occupant acknowledges that the location of the final trail system as constructed may differ from any original proposed locations or from any marketing materials based on various conditions of the Properties, which shall include but not be limited to topography, easements, buffer areas, and flood plains.

4.9 Presence and Management of Wildlife. Each Owner and Occupant acknowledges that the Properties are located adjacent to and in the vicinity of wetlands, bodies of water and other natural areas. Such areas may contain wildlife. The Association, Board and Declarant shall not be liable or responsible for any personal injury, illness or any other loss or damage caused by the presence of such wildlife on the Properties. Each Owner and Occupant of a Lot shall assume all risk of personal injury, illness or other loss or damage arising from the presence of such wildlife and further acknowledges that the Association, Board and Declarant have made no representations or warranties nor has any Owner or Occupant relied upon any representations or warranties, expressed or implied, relative to the presence of such wildlife.

Declarant, acting in its sole and absolute discretion, retains the right, but not the obligation, to engage in wildlife and fishery management plans and practices on the Properties to the extent that such practices are permitted by applicable state and federal law. For the purpose of illustration and not limitation, this includes the right to manage and control any populations of white-tailed deer, feral hogs, raccoons, beavers, geese, alligators and other wildlife through a variety of techniques, including organized hunting, shooting, trapping, relocating, sterilization and habitat manipulation. Declarant may, in its sole discretion, commission environmental studies and reports relating to the Properties and the wildlife habitats located thereon and may elect to follow or disregard any recommendations resulting from such studies. Declarant may assign these management rights to the Association in which event the expenses of such activities shall be funded by General Assessments.

ARTICLE 5. MAINTENANCE

5.1 Association's Responsibility.

(a) The Association shall maintain and keep in good condition, order and repair the Area of Common Responsibility, which may include, but need not be limited to:

(i) all Common Area;

(ii) all landscaping and other flora, parks, ponds, structures, and including entry features, parking areas, sidewalks, bike and pedestrian any pathways/trails, clubhouse, tennis courts and swimming pools situated upon the Common Area;

(iii) all furnishings, equipment and other personal property of the Association;

(iv) any landscaping and other flora, parks, entry features, sidewalks, bike and pedestrian pathways/trails, buffers, structures and improvements within public rights-of-way within or abutting the Properties or upon such other public land adjacent to the Properties as deemed necessary in the discretion of the Board;

(v) such additional portions of any property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, or any contract or agreement for maintenance thereof entered into by the Association;

(vi) any ponds, rivers, streams and/or wetlands located within the Properties which serve as part of the drainage and storm water retention system for the Properties, including any retaining walls, bulkheads or dams (earthen or otherwise) retaining water therein, and any fountains, lighting, pumps, conduits, and similar equipment installed therein or used in connection therewith; and

(vii) any property and facilities owned by the Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members, such property and facilities to be identified by written notice from the Declarant to the Association and to remain a part of the Area of Common Responsibility and be maintained by the Association until such time as Declarant revokes such privilege of use and enjoyment by written notice to the Association.

The Association may, as a Common Expense, maintain other property and improvements which it does not own, including, without limitation, property dedicated to the public, or provide maintenance or services related to such property over and above the level being provided by the property owner, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

(b) The Association shall maintain the facilities and equipment within the Area of Common Responsibility in continuous operation, except for any periods necessary, as determined in the sole discretion of the Board, to perform required maintenance or repairs, unless Members holding sixty-seven percent (67%) of the Class "A" votes in the Association and, during the Development Period, the Declarant agree in writing to discontinue such operation.

(c) The Association may be relieved of all or any portion of its maintenance responsibilities herein to the extent that (i) such maintenance responsibility is otherwise assumed by or assigned to an Owner or (ii) such property is dedicated to any local, state, or federal government or quasi-governmental entity; provided however, that in connection with such assumption, assignment or dedication, the Association may reserve or assume the right or obligation to continue to perform all or any portion of its maintenance responsibilities, if the Board determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

Except as provided above, the Area of Common Responsibility shall not be reduced by amendment of this Declaration or any other means during the Development Period except with the written consent of the Declarant.

(d) Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Area of Common Responsibility shall be a Common Expense to be allocated among all Lots as part of the General Assessment, without prejudice to the right of the Association to seek reimbursement from the owner(s) of, or other Persons responsible for, certain portions of the Area of Common Responsibility pursuant to the Governing Documents, any recorded covenants, or any agreements with the owner(s) thereof.

(e) In the event that the Association fails to properly perform its maintenance responsibilities hereunder and to comply with the Community-Wide Standard, the Declarant may, upon not less than ten (10) Days' notice and opportunity to cure such failure, cause such maintenance to be performed and in such event, shall be entitled to reimbursement from the Association for all costs incurred.

5.2 Owner's Responsibility. Each Owner shall maintain such Owner's Lot, and all structures, parking areas, sprinkler and irrigation systems, landscaping and other flora, and other improvements on the Lot in a manner consistent with the Community-Wide Standard and all Governing Documents, unless such maintenance responsibility is otherwise assumed by or assigned to the Association. Each Owner shall also maintain the driveway and mailbox serving his or her Lot and all landscaping located in the right-of-way immediately adjacent to the Owner's Lot. In addition to any other enforcement rights, if an Owner fails properly to perform such Owner's maintenance responsibility, the Association may perform such maintenance responsibilities and assess all costs incurred by the Association against the Lot and the Owner in

accordance with Section 8.5(b). The Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation. Entry under this Section shall not constitute a trespass.

5.3 Standard of Performance. Unless otherwise specifically provided herein or in other instruments creating and assigning such maintenance responsibility, responsibility for maintenance shall include responsibility for repair and replacement, as necessary. All maintenance shall be performed in a manner consistent with the Community-Wide Standard and all Governing Documents. Neither the Association nor any Owner shall be liable for any damage or injury occurring on, or arising out of the condition of, property which such Person does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

ARTICLE 6. INSURANCE AND CASUALTY LOSSES

6.1 Association Insurance.

(a) Required Coverage. The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverage as are reasonably available:

(i) Blanket property insurance covering "risks of direct physical loss" on a "special form" basis (or comparable coverage by whatever name denominated) for all insurable improvements on the Common Area, if any, and on other portions of the Area of Common Responsibility to the extent that it has assumed responsibility for maintenance, repair and/or replacement in the event of a casualty. If such coverage is not generally available at reasonable cost, then "broad form" coverage may be substituted. The Association shall have the authority to and interest in insuring any property for which it has maintenance or repair responsibility, regardless of ownership. All property insurance policies obtained by the Association shall have policy limits sufficient to cover the full replacement cost of the insured improvements;

(ii) Commercial general liability insurance on all public ways located within the Properties and on the Area of Common Responsibility, insuring the Association and its Members for damage or injury caused by the negligence of the Association or any of its Members, employees, agents, or contractors while acting on its behalf. If generally available at reasonable cost, the commercial general liability coverage (including primary and any umbrella coverage) shall have a limit of at least one million dollars (\$1,000,000.00) per occurrence with respect to bodily injury, personal injury, and property damage, provided should additional coverage and higher limits be available at reasonable cost which a reasonably prudent person would obtain, the Association shall obtain such additional coverage or limits;

(iii) Workers compensation insurance and employers liability insurance, if and to the extent required by law;

(iv) Directors and officers liability coverage;

(v) Fidelity insurance covering all Persons responsible for handling Association funds in an amount determined in the Board's best business judgment but not less than an amount equal to one-sixth (1/6th) of the annual General Assessments on all Lots plus reserves on hand. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation; and

(vi) Such additional insurance as the Board, in its best business judgment, determines advisable, which may include, without limitation, flood insurance.

In the event that any portion of the Common Area is or shall become located in an area identified by the Federal Emergency Management Agency ("FEMA") as an area having special flood hazards, a "blanket" policy of flood insurance on the Common Area must be maintained in the amount of one hundred percent (100%) of current "replacement cost" of all affected improvements and other insurable property or the maximum limit of coverage available, whichever is less.

Premiums for all insurance on the Area of Common Responsibility shall be Common Expenses and shall be included in the General Assessment. In the event of an insured loss, the deductible shall be treated as a Common Expense and assessed in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the By-Laws, that the loss resulted from the

negligence or willful misconduct of one (1) or more Owners, their guests, invitees, or lessees, then the Board may specifically assess the full amount of such deductible against such Owner(s) and their Lots pursuant to Section 8.5.

(b) Policy Requirements. The Association shall arrange for periodic reviews of the sufficiency of insurance coverage by one (1) or more qualified Persons, at least one (1) of whom must be familiar with insurable replacement costs in the metropolitan Atlanta area.

All Association policies shall provide for a certificate of insurance to be furnished to the Association and to each Member upon written request. Unless a higher maximum amount is allowed by state law, the maximum deductible amount shall be the lesser of \$10,000 or one percent (1%) of the hazard insurance policy face amount; however, for losses related to a Lot owned by the Association which is covered by a blanket policy, if any, the deductible related to

the individual Lot should be the lesser of \$1,000 or one percent (1%) of the Lot's replacement cost. The deductible shall not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the requirements of Section 6.1(a).

(i) All insurance coverage obtained by the Board shall meet the following requirements:

(1) be written with a company authorized to do business in the State of Georgia which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate;

(2) be written in the name of the Association as trustee for the benefited parties. Policies on the Common Areas shall be for the benefit of the Association and its Members;

(3) not be brought into contribution with insurance purchased by Owners, Occupants, or their Mortgagees individually;

(4) contain an inflation guard endorsement;

(5) include an agreed amount endorsement, if the policy contains a co-insurance clause; and

(6) include an endorsement requiring at least thirty (30) Days prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

(7) include a specific endorsement to preclude the insurer's denial of an Owner's claim because of the negligent acts of the Association.

(ii) In addition, the Board shall use reasonable efforts to secure insurance policies, which list the Owners as additional insured and provide the following:

(1) a waiver of sub-rogation as to any claims against the Association's Board, officers, employees, and manager, the Owners and Occupants;

(2) a waiver of the insurer's rights to repair and reconstruct instead of paying

(3) an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of any one (1) or more individual Owners, or on account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure;

(4) an endorsement excluding Owners' individual policies from consideration under any "other insurance" clause;

(5) a cross liability provision; and

(6) a provision vesting the Board with the exclusive authority to adjust losses; provided however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related to the loss.

(c) Damage and Destruction. In the event of any insured loss covered by insurance held by the Association, only the Board or its duly authorized agent may file and adjust insurance claims and obtain reliable and detailed estimates of the cost of repair or reconstruction. Repair or reconstruction, as used in this subsection, means repairing or restoring the property to substantially the condition existing prior to the damage, allowing for changes or improvements necessitated by changes in applicable building codes.

Any damage to or destruction of the Common Area shall be repaired or reconstructed unless the Members holding at least sixty-seven percent (67%) of the total Class "A" votes in the Association and, during the Development Period, the Declarant decide within sixty (60) Days after the loss either (i) not to repair or reconstruct or (ii) to construct alternative improvements.

If either the insurance proceeds or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not available to the Association within such sixty (60) Day period, then the period shall be extended until such funds or information are available. However, such extension shall not exceed sixty (60) additional Days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area shall be repaired or reconstructed.

If determined in the manner described above that the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association in a neat and attractive, landscaped condition consistent with the Community-Wide Standard.

Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Lot.

If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board of Directors may, without a vote of the Members, levy Special Assessments to cover the shortfall against those Owners responsible for the premiums for the applicable insurance coverage under Section 6.1(a).

6.2 Owners' Insurance. By virtue of taking title to a Lot, each Owner covenants and agrees with all other Owners and the Association to carry property insurance for the full replacement cost of all insurable improvements on such Owner's Lot, less a reasonable deductible, unless the Association carries such insurance (which they may, but are not obligated to do hereunder). If the Association assumes responsibility for obtaining any insurance coverage on behalf of Owners, the premiums for such insurance shall be levied as a Specific Assessment against the benefited Lot and the Owner thereof pursuant to Section 8.5.

Each Owner further covenants and agrees that in the event of damage to or destruction of structures or landscaping on or comprising such Owner's Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure or landscaping consistent with the original construction or such other plans and specifications as are approved in accordance with Article 9. Alternatively, the Owner shall clear the Lot of all debris and ruins and maintain the Lot in a neat and attractive, landscaped condition consistent with the Community-Wide Standard. The Owner shall pay any costs which are not covered by insurance proceeds.

6.3 Limitation of Liability. Notwithstanding the duty of the Association to maintain and repair portions of the Common Area, neither the Association, its Board of Directors, its successors or assigns, nor any officer or director or committee member, employee, agent or contractor (including the management company, if any) of any of them shall be liable to any Owner or any member of an Owner's immediate household for any injury or damage sustained in the Area of Common Responsibility, the Common Area or other area maintained by the Association, or for any injury or damage caused by the negligence or misconduct of any Owner or Occupant, whether such loss occurs in the Common Area or in individual Lots.

Each Owner, by virtue of the acceptance of title to such Owner's Lot and each other Person having an interest in or right to use any portion of the Properties, by virtue of accepting such interest or right to use, shall be bound by this Section and shall be deemed to have automatically waived any and all rights, claims, demands, and causes of action against the Association arising from or connected with any matter for which the liability of the Association has been disclaimed under this Section.

ARTICLE 7. ANNEXATION AND WITHDRAWAL OF PROPERTY

7.1 Annexation by Declarant. Until ten (10) years after the recording of this Declaration in the Public Records, Declarant may from time to time unilaterally subject the provisions of this Declaration to all or any portion of the Additional Property. Declarant may transfer or assign this right to annex property, provided that the transferee or assignee is the developer of at least a portion of the real property described in Exhibits "A" or "B" and that such transfer is memorialized in a written, recorded instrument executed by Declarant.

Such annexation shall be accomplished by filing a Supplemental Declaration in the Public Records describing the property being annexed. Such Supplemental Declaration shall not require the consent of the Members, but shall require the consent of the owner of such property, if other than Declarant. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein.

Nothing in this Declaration shall be construed to require Declarant or any successor to annex or develop any of the Additional Property in any manner whatsoever.

7.2 Annexation by Membership. The Association may annex any real property to the provisions of this Declaration with the consent of the owner of such property, the affirmative vote of Members holding a Majority of the Class "A" votes of the Association represented at a meeting duly called for such purpose, and, during the Development Period, the written consent of Declarant.

Such annexation shall be accomplished by filing a Supplemental Declaration describing the property being annexed in the Public Records. Any such Supplemental Declaration shall be signed by the President and the secretary of the Association, and by the owner of the property being annexed, and by Declarant, if Declarant's consent is required. Any such annexation shall be effective upon filing unless otherwise provided therein.

7.3 Withdrawal of Property. Declarant reserves the right to amend this Declaration during the Development Period for the purpose of removing any portion of the Properties from the coverage of this Declaration. Such amendment shall not require the consent of any Person other than the owner of the property to be withdrawn, if not Declarant. If the property is Common Area, the Association shall execute a written consent to such withdrawal.

7.4 Additional Covenants and Easements. Declarant may unilaterally subject any portion of the Properties to additional covenants and easements, including covenants obligating the Association to maintain and insure such property on behalf of the Owners and obligating such Owners to pay the costs incurred by the Association through Specific Assessments. Such additional covenants and easements shall be set forth in a Supplemental Declaration filed either concurrently with or after the annexation of the subject property and shall require the written consent of the owner(s) of such property, if other than Declarant. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property for such purposes as deemed appropriate in Declarant's sole discretion, including but not limited to modifications to reflect the different character and intended use of such property.

7.5 Amendment. This Article shall not be amended during the Development Period without the prior written consent of Declarant.

ARTICLE 8. ASSESSMENTS

8.1 Creation of Assessments. There are hereby created assessments for Association expenses as the Board may specifically authorize from time to time. There shall be three (3) types of assessments: (a) General Assessments to fund Common Expenses for the general benefit of all Lots; (b) Special Assessments as described in Section 8.4; and (c) Specific Assessments as described in Section 8.5. Each Owner, by accepting a deed for any portion of the Properties, is deemed to covenant and agree to pay these assessments.

All assessments and other charges, together with interest, late charges, costs of collection, and reasonable attorneys' fees, shall be a charge and continuing lien upon each Lot against which the assessment or charge is made until paid, as more particularly provided in Section 8.6. Each such assessment or charge, together with interest, late charges, costs, and reasonable attorneys' fees, also shall be the personal obligation of the Person who was the Owner of such Lot at the time the assessment arose. Upon a transfer of title to a Lot, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance. However, no first Mortgagee who obtains title to a Lot by exercising the remedies provided in its Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon request, furnish to any Owner liable for any type of assessment a written statement signed by an Association officer or designee setting forth whether such assessment has been paid. Such statement shall be conclusive evidence of payment. The Association may require the advance payment of a reasonable processing fee for the issuance of such statement.

Assessments shall be paid in such manner and on such dates as the Board may establish, which may include discounts for early payment or similar time/price differentials. The Board may require advance payment of assessments at closing of the transfer of title to a Lot and impose special requirements for Owners with a history of delinquent payment. If the Board so elects, assessments may be paid in two (2) or more installments. Unless the Board otherwise provides, the General Assessment shall be due and payable in advance in two equal payments, the first payment due on the last day of the first month of the fiscal year and the second payment due on the last day of the third month of the fiscal year. If any Owner is delinquent in paying any assessments or other charges levied on such Owner's Lot, the Board may require any unpaid installments of all outstanding assessments to be paid in full immediately. Any assessment or installment thereof shall be considered delinquent on the fifteenth (15th) day following the due date unless otherwise specified by Board resolution.

No Owner may exempt himself or herself from liability for assessments by non-use of

Common Area, abandonment of his or her Lot, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or setoff shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action taken by the Association or Board.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services, materials, or a combination of services and materials with Declarant or other entities for payment of Common Expenses.

8.2 Computation of General Assessments. At least thirty (30) Days before the beginning of each fiscal year, the Board shall prepare a budget covering the estimated Common Expenses during the coming year, which may include a contribution to establish a reserve fund in accordance with a budget separately prepared as provided in Section 8.3. For so long as the Class "B" membership exists, Common Expenses shall not include any expenses incurred for initial development, original construction, installation of infrastructure, original capital improvements, or other original construction costs unless approved by Members holding a Majority of the total Class "A" votes of the Association.

General Assessments shall be levied equally against all Lots subject to assessment and shall be set at a level which is reasonably expected to produce total income for the Association equal to the total budgeted Common Expenses, including any reserves. In determining the level of General Assessments, the Board, in its discretion, may consider other sources of funds available to the Association, including any surplus from prior years and any assessment income expected to be generated from any additional Lots reasonably anticipated to become subject to assessment during the fiscal year.

During the Development Period, Declarant may, but shall not be obligated to, reduce the General Assessment for any fiscal year by payment of a subsidy and/or contributions of services and materials, which may be treated as either a contribution or an advance against future sums due from Declarant or a loan, in Declarant's discretion. Any such anticipated payment or contribution by Declarant shall be disclosed as a line item in the Common Expense budget. Payments by Declarant in any year shall under no circumstances obligate the Declarant to continue such payments in future years unless otherwise provided in a written agreement between the Association and Declarant.

The Board shall send a copy of the budget and notice of the amount of the General Assessment for the following year to each Owner at least thirty (30) Days prior to the beginning of the fiscal year for which it is to be effective. Such budget and assessment shall become effective unless disapproved at a meeting by Members holding at least sixty-seven percent (67%) of the total Class "A" votes in the Association and, during the Development Period, Declarant. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings in Section 2.4 of the By-Laws, which petition must be presented to the Board within twenty (20) Days after the date

of the notice of assessments. If a meeting is requested, assessments pursuant to such proposed budget shall not become effective until after such meeting is held, provided such assessments shall be retroactive to the original effective date of the budget if the budget is not disapproved at such meeting.

If the proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then until such time as a budget is determined, the budget in effect for the immediately preceding year shall continue for the current year. In such event or if the budget proves inadequate for any reason, the Board may prepare a revised budget for the remainder of the fiscal year. The Board shall send a copy of the revised budget to each Owner at least thirty (30) Days prior to its becoming effective. The revised budget shall become effective unless disapproved in accordance with the above procedure.

8.3 Reserve Budget. The Board may, in its sole discretion, annually prepare a reserve budget for general purposes which take into account the number and nature of replaceable assets within the Area of Common Responsibility, the expected life of each asset, and the expected repair or replacement cost. The Board shall include in the general budgets reserve amounts sufficient to meet the projected needs of the Association.

8.4 Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Any such Special Assessment may be levied against all Lots, if such Special Assessment is for Common Expenses. Special Assessments shall be allocated equally among all Lots subject to such Special Assessment. Any Special Assessment shall become effective unless disapproved at a meeting by Members holding at least sixty-seven percent (67%) of the total Class "A" votes allocated to Lots which will be subject to such Special Assessment and, during the Development Period, by the Declarant. There shall be no obligation to call a meeting for the purpose of considering any Special Assessment except on petition of the Members as provided for special meetings in Section 2.4 of the By-Laws, which petition must be presented to the Board within twenty (20) Days after the date of the notice of such Special Assessment. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved.

8.5 Specific Assessments. The Association shall have the power to levy Specific Assessments against a particular Lot or Lots as follows:

(a) to cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Lot(s) or Occupants thereof upon request of the Owner pursuant to a menu of special services which the Board may from time to time authorize to be offered to Owners and occupants (which might include, without limitation, landscape maintenance, garbage collection, pest control service, cable, digital, satellite or similar

television service, internet, intranet, and other computer related services, security, caretaker, fire protection, utilities (including connection fees, similar services and facilities), which assessments may be levied in advance of the provision of the requested benefit, item or service as a deposit against charges to be incurred by the Owner;

(b) to cover all costs incurred in bringing the Lot(s) into compliance with the terms of the Governing Documents, or costs incurred as a consequence of the conduct of the Owner or Occupants of the Lot; and

(c) to cover the administrative costs upon each sale and resale of a developed Lot.

In addition, fines levied by the Association pursuant to Section 4.3 shall constitute Specific Assessments.

8.6 Lien for Assessments. The Association shall have a lien against each Lot to secure payment of assessments and other charges, as well as interest at a rate to be set by the Board (*subject* to the maximum interest rate limitations of Georgia law), late charges in such amount as the Board may establish (subject to the limitations of Georgia law), costs of collection and reasonable attorneys' fees. Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Such lien may be enforced by suit, judgment, and judicial or non-judicial foreclosure.

Declarant or the Association may bid for the Lot at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Lot. While a Lot is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Lot shall be charged, in addition to its usual assessment, its pro rata share of the assessment allocated to the Lot owned by the Association. The Association may sue for unpaid assessments and other charges authorized hereunder without foreclosing or waiving the lien securing the same.

The sale or transfer of any Lot shall not affect the assessment lien or relieve such Lot from the lien for any subsequent assessments. A Mortgagee or other purchaser of a Lot who obtains title pursuant to foreclosure of the Mortgage shall not be personally liable for assessments on such Lot due prior to such acquisition of title. Such unpaid assessments shall remain the personal obligation of the owner of the Lot prior to the foreclosure, and, unless and until collected from such prior owner, shall be deemed to be Common Expenses collectible from Owners of all Lots subject to assessment under Section 8.7, including such acquirer, its successors and assigns.

All other Persons acquiring liens or encumbrances on any Lot after this Declaration has been recorded shall be deemed to consent that such liens or encumbrances shall be inferior to

future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances.

8.7 Date of Commencement of Assessments. The obligation to pay assessments shall commence as to each Lot on the date which the Lot is conveyed to a Person other than a Builder or Declarant. With respect to any Lot owned by a Builder, assessments shall commence upon: (a) actual occupancy of a dwelling on such Lot, excluding any period that such Lot is being used exclusively as a model home or (b) 15 months from the date of conveyance of the Lot to such Builder. The first annual General Assessment levied on each Lot shall be adjusted according to the number of days remaining in the fiscal year at the time assessments commence on the Lot.

8.8 Failure to Assess. Failure of the Board to establish assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay General Assessments on the same basis as during the last year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

8.9 Exempt Property. The following property shall be exempt from payment of General Assessments and Special Assessments:

(a) All Common Area and such portions of the property owned by the Declarant as are included in the Area of Common Responsibility pursuant to Section 5.1;

(b) Any property dedicated or otherwise conveyed to and accepted by any governmental authority or public utility; and

(c) Any property that is owned by a charitable nonprofit corporation or public agency whose primary purposes include the acquisition and preservation of open space for public benefit and held by such agency or organization for such recreational and open space purposes.

8.10 Capitalization of Association. Upon acquisition of record title to a Lot by the first Owner thereof other than the Declarant or a Builder or upon occupancy of a Lot by a Person other than a builder or Declarant and upon resale of such Lot by each successor purchaser, a contribution shall be made by or on behalf of the purchaser or occupant to the working capital of the Association in an amount equal to one hundred percent (100%) of the annual General Assessment per Lot for that year. This amount shall be in addition to, not in lieu of, the annual General Assessment and shall not be considered an advance payment of such assessment. This amount shall be collected and disbursed to the Association at closing of the purchase and sale of the Lot, or if the obligation to pay the initiation fee arises by virtue of occupancy of a Lot by a Person other than a Builder or Declarant, the capital contribution shall be paid immediately upon demand by the Association. Capital contributions shall be utilized by the Association in covering operating expenses and other expenses incurred by the Association pursuant to the Governing Documents.

8.11 Contributions by Declarant. In accordance with Section 8.2, Declarant may support the Association by funding operating deficits during the Development Period. At the sole election of Declarant, Declarant may recoup from the Association all such payments, which amounts may be paid from the operating account of the Association, or from the working capital contributions collected at the sale of Lots, but not from capital reserves. Regardless of whether Declarant recoups any other deficit amounts, it is not the intention of Declarant to forfeit refundable reserves or deposits paid by Declarant, nor to pay for deficits created by the nonpayment of assessments by other Owners. It is also not the intention of Declarant to pay for expenses which are otherwise covered in the annual budget of the Association, but which, due to the requirement of an advance payment, create temporary or seasonal deficits. Accordingly, Declarant shall be reimbursed for all amounts paid by Declarant in the funding of deficits caused by the nonpayment of assessments by Owners which, if not sooner paid, shall be paid to Declarant at the time the unpaid assessment is collected. In addition, if not sooner paid, Declarant shall be reimbursed for any refundable deposit upon the Association's receipt of the same.

All deficits shall be collectible by Declarant at any time from the working capital contributions or from excess funds not designated for capital reserves. Declarant shall have the right to pursue the collection of any unpaid assessments on behalf of the Association, as well as the right to act on behalf of the Association (if necessary) in obtaining refunds of all deposits paid for by Declarant. The Board of Directors, specifically including members of the Board appointed by Declarant, shall be authorized to execute a promissory note or notes on behalf of the Association to evidence the repayment obligation of the Association; provided however, the failure to execute such a note shall in no way diminish such obligation.

ARTICLE 9. ARCHITECTURAL STANDARDS

9.1 General. No exterior structure or improvement, as described in Section 9.5, shall be placed, erected, installed or made upon any Lot or any other portion of the Properties except in compliance with this Article, and with the prior written approval of the appropriate reviewing body under Section 9.2, unless exempted from the application and approval requirements pursuant to Section 9.3.

All dwellings constructed on any portion of the Properties shall be designed by and built in accordance with the plans and specifications of a licensed architect or other qualified building designer, unless otherwise approved by the ARB in its sole discretion.

This Article shall not apply to the activities of Declarant, or to improvements to the Common Area by or on behalf of the Association. This Article may not be amended during the Development Period without the Declarant's written consent.

9.2 Architectural Review. Each Owner, by accepting a deed or other instrument conveying any interest in any portion of the Properties acknowledges that, as the developer of the Properties, Declarant has a substantial interest in ensuring that all structures and improvements within the

Properties enhance Declarant's reputation as a community developer and do not impair Declarant's ability to market, sell or lease any portion of the Properties or the Additional Property. Therefore, the Declarant may, on its behalf, establish an ARB to be responsible for administration of the Design Guidelines and review of all applications for construction and modifications under this Article. In addition, the Board may establish the MC as set forth below. The ARB and the MC are sometimes referred to herein collectively as the reviewing bodies. The reviewing bodies shall consist of one (1) or more Persons who may, but are not required to, be Members of the Association or representatives of Members, and may, but need not, include architects, landscape architects, engineers or similar professionals, whose compensation, if any, shall be established from time to time by the ARB. The reviewing bodies may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers or other professionals. In addition, the reviewing bodies may require deposits while construction is pending on any Lot to ensure completion without damage to the Properties.

(a) Architectural Review Board. The ARB shall have exclusive jurisdiction over all construction on any portion of the Properties. Until one hundred percent (100%) of the Properties have been developed and conveyed to Owners other than Builders and the Declarant and initial construction on each Lot has been completed in accordance with the Design Guidelines, the Declarant retains the right to appoint all members of the ARB who shall serve at the Declarant's discretion. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration or surrender of such right, the Board shall appoint the members of the ARB, who shall thereafter serve and may be removed in the Board's discretion.

(b) Modifications Committee. The Board of Directors may establish a Modifications Committee ("MC"), all of whom shall be appointed by and shall serve at the discretion of the Board. If established, the MC shall have jurisdiction over modifications, additions, or alterations of Lots, including existing structures and landscaping, after completion of initial construction on the Lot. The ARB shall have the right to veto any action taken by the MC which the ARB determines, in its sole discretion, to be inconsistent with the guidelines promulgated by the ARB. Upon expiration of the Declarant's right to appoint the members of the ARB, the MC may be eliminated and its duties assumed by the ARB.

9.3 Guidelines and Procedures.

(a) Design Guidelines. Declarant may prepare the initial Design Guidelines for the Properties. The Design Guidelines may contain general provisions applicable to all of the Properties, as well as specific provisions which vary according to land use and from one (1) portion of the Properties to another depending upon the location, unique characteristics, and intended use. For example, by way of illustration but not limitation, the Design Guidelines may impose stricter requirements on those portions of the Properties adjacent to or visible from any pond, river, stream or other body of water. The Design Guidelines may contain requirements with respect to wiring and cabling of residential dwellings for internet, intranet and other

computer related services. The Design Guidelines are intended to provide guidance to Owners and Builders regarding matters of particular concern to the reviewing bodies in considering applications hereunder. The Design Guidelines are not the exclusive basis for decisions of the reviewing bodies and compliance with the Design Guidelines does not guarantee approval of any application.

The ARB shall adopt the Design Guidelines at its initial organizational meeting and thereafter shall have sole and full authority to amend them. Any amendments to the Design Guidelines shall be prospective only. There shall be no limitation on the scope of amendments to the Design Guidelines except that no amendment shall require the modification or removal of any structure previously approved once the approved construction or modification has commenced. The ARB is expressly authorized to amend the Design Guidelines to remove requirements previously imposed or otherwise to make the Design Guidelines less restrictive.

The ARB shall make the Design Guidelines available to Owners and Builders who seek to engage in development or construction within the Properties.

The MC may promulgate detailed procedures and standards governing its area of responsibility, consistent with those set forth in the Design Guidelines and subject to review and approval or disapproval by the ARB. Any architectural guidelines and standards adopted by the MC may be more restrictive than the Design Guidelines, but under no circumstances shall they be inconsistent with the Design Guidelines.

(b) Procedures. Plans and specifications showing the nature, kind, shape, color, size, materials, and location of all proposed structures and improvements shall be submitted to the appropriate reviewing body for review and approval (or disapproval). In addition, information concerning septic tank drainage fields and placement, irrigation systems, drainage, lighting, landscaping and other features of proposed construction shall be submitted as applicable and as required by the Design Guidelines. In reviewing each submission, the reviewing bodies may consider the quality of workmanship and design, harmony of external design with existing structures, and location in relation to surrounding structures, topography, and finish grade elevation, among other considerations. Decisions may be based solely on aesthetic considerations. Each Owner acknowledges that opinions on aesthetic matters are subjective and may vary over time.

Each application to the ARB shall contain a representation and warranty by the Owner that use of the plans submitted does not violate any copyright associated with the plans. Neither the submission of the plans to the ARB, nor the distribution and review of the plans by the ARB shall be construed as publication in violation of the designer's copyright, if any. Each Owner submitting plans to the ARB shall hold the members of the ARB, the Association and the Declarant harmless and shall indemnify said parties against any and all damages, liabilities, and expenses incurred in connection with the review process of this Declaration.

In reviewing and acting upon request for approval, the ARB shall be acting solely in Declarant's interest and shall owe no duty to any other Person. Decisions may be based solely on

~~Revised by 06/23~~

aesthetic considerations. Each Owner acknowledges that opinions on aesthetic matters are subjective and may vary over time. The ARB shall have the sole discretion to make final, conclusive, and binding determinations on matters of aesthetic judgment and whether proposed improvements are consistent with Design Guidelines.

In the event that the ARB or MC fails to approve or to disapprove any application within forty-five (45) Days after submission of all information and materials reasonably requested, the application shall be deemed approved. However, no approval, whether expressly granted or deemed granted pursuant to the foregoing, shall be inconsistent with the Design Guidelines unless a variance has been granted in writing by the ARB pursuant to Section 9.8.

Notwithstanding the above, the ARB by resolution may exempt certain activities from the application and approval requirements of this Article, provided such activities are undertaken in strict compliance with the requirements of such resolution. Any Owner may remodel, paint or redecorate the interior of structures on such Owner's Lot without approval. However, modifications to the interior of screened porches, patios, and similar portions of a Lot visible from outside the structures on the Lot shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications.

(c) Delinquent Assessments and Other Charges. Notwithstanding the provisions of subsection (b) above, any application for the approval of plans and specifications as set forth in this Article shall be deemed to be disapproved unless and until any and all delinquent assessments and other charges permitted by this Declaration have been paid current by the Owner submitting such plans and specifications for approval

Subsequent to the approval of plans and specifications pursuant to this Article, if the Owner shall become delinquent in the payment of assessments or other charges permitted by this Declaration at any time during the prosecution of the approved work, the Owner shall be deemed to be in violation of such approval and shall be subject to any means of enforcement set forth in Section 9.10 and Section 4.3.

9.4 Architect, Builder and General Contractor Approval. In order to ensure that appropriate standards of construction are maintained throughout the Properties, all architects, Builders and general contractors must be approved by the ARB prior to engaging in any construction activities within the Properties. The ARB may implement an approval process utilizing established criteria and requiring the submission of a written application for approval. Approval of any plans may be withheld until such time as the Owner's architect, Builder or contractor has been approved by the ARB. Approval of an architect, Builder or general contractor may be conditioned upon an agreement with the ARB to maintain certain insurance coverage required by the ARB, pay construction deposits to ensure completion of a project without damage to the Properties, and pay fees determined by the ARB, from time to time. Both the criteria and the application form are subject to change in the sole discretion of the ARB. Approval of architects, Builders and contractors may not be construed as a recommendation of a specific architect, Builder or contractor by the ARB or Declarant, nor a guarantee or endorsement of the work of such architect, Builder or contractor. The criteria and requirements established by the ARB for

approval of architects, Builders and contractors are solely for Declarant's protection and benefit and are not intended to provide the Owner with any form of guarantee with respect to any approved architect, Builder, or contractor. Owner's selection of an architect, Builder, or contractor shall be conclusive evidence that the Owner is independently satisfied with any and all concerns Owner may have about the qualifications of such architect, Builder or contractor. Furthermore, Owner waives any and all claims and rights that Owner has or may have now or in the future, against the ARB or Declarant.

9.5 Specific Guidelines and Restrictions.

(a) Exterior Structures and Improvements. Exterior structures and improvements shall include, but shall not be limited to, staking, clearing, excavation, grading and other site work; initial construction of any dwelling or accessory building; exterior alteration of existing improvements; installation or replacement of hardscape, such as driveways, walkways, or parking areas; mailboxes; basketball hoops; swing sets and similar sports and play equipment; clotheslines; garbage cans; wood piles; swimming pools; docks or piers; gazebos or playhouses; window air-conditioning units or fans; hot tubs; or solar panels; antennas; satellite dishes or any other apparatus for the transmission or reception of television, radio, satellite, or other signals of any kind; hedges, walls, dog runs, animal pens, or fences of any kind, including invisible fences; artificial vegetation or sculpture; and planting or removal of landscaping materials. Notwithstanding the foregoing, the Declarant and the Association shall regulate antennas, satellite dishes, or any other apparatus for the transmission or reception of television, radio, satellite or other signals of any kind only in strict compliance with all federal laws and regulations.

(b) In addition to the foregoing activities requiring prior approval, the following items are strictly regulated, and the reviewing body shall have the right, in its sole discretion, to prohibit or restrict these items within the Properties. Each Owner must strictly comply with the terms of this Section unless approval or waiver in writing is obtained from the appropriate reviewing body. The ARB may, but is not required to, adopt additional specific guidelines as part of the Design Guidelines.

(i) Signs: No sign of any kind shall be erected by an Owner or occupant without the prior written consent of the appropriate reviewing body, except (1) such signs as may be required by legal proceedings; (2) not more than one (1) professional security sign of such size deemed reasonable by the ARB in its sole discretion; (3) not more than one (1) "For Rent" or "For Sale" sign not to exceed two feet (2') by two feet (2') on any Lot being offered for sale or for lease; (4) one (1) political campaign sign not to exceed two feet (2') by two feet (2') for such time periods as established by the ARB; and (5) such additional signs as may be permitted in the Design Guidelines; provided however, all signs shall be posted and erected in accordance with any requirements set forth in the Design Guidelines. Unless in compliance with this Section, no other signs shall be posted or erected by any Owner or occupant within any portion of the Properties, including the Common Area, any structure or dwelling located on the Common Area or any Lot (if such sign would be visible from the exterior of such structure or dwelling as determined in the reviewing body's sole discretion).

The Declarant and the ARB reserve the right to prohibit signs and to restrict the size, content, color, lettering, design and placement of any approved signs. All permitted signs must be professionally prepared. This provision shall not apply to entry, directional, or other signs installed by the Declarant or its duly authorized agent as may be necessary or convenient for the marketing and development of the Properties.

(ii) Tree Removal. No trees with trunks that are more than six (6) inches in diameter at a point two (2) feet above the ground or no pine trees that are more than eight (8) inches in diameter at a point two (2) feet above the ground shall be removed without the prior written consent of the appropriate reviewing body; provided however, any trees, regardless of their trunk diameter, that are located within ten (10) feet of a drainage area, a septic field, a sidewalk, a residence, or a driveway, or within five (5) feet of any dwelling or any diseased or dead trees needing to be removed to promote the growth of other trees or for safety reasons may be removed without the written consent of the appropriate reviewing body. The appropriate reviewing body may adopt or impose requirements for, or condition approval of, tree removal upon the replacement of any tree removed.

(iii) Lighting. Exterior lighting visible from the street shall not be permitted except for: (1) approved lighting as originally installed on a Lot; (2) one (1) approved decorative post light; (3) pathway lighting; (4) street lights in conformity with any established street lighting program for the Properties; (5) a reasonable number of seasonal decorative lights during the usual and common season as determined by the ARB; (6) front house illumination of model homes; or (7) any additional lighting as may be approved by the appropriate reviewing body; provided however, all such lighting shall be consistent with any requirements contained in the Design Guidelines. Light from security lighting fixtures, spotlights and floodlights shall not be directed onto adjoining Lots or Common Area and shall be removed or shielded if the appropriate reviewing body determines that such lighting constitutes a nuisance.

(iv) Temporary or Detached Structures. Except as may be permitted by the ARB during initial construction, or the MC thereafter, no temporary house, dwelling, garage or outbuilding shall be placed or erected on any Lot. Except as provided in Section 10.7(b), no mobile home, trailer home, travel trailer, camper or recreational vehicle shall be stored, parked or otherwise allowed to be placed on a Lot as a temporary or permanent dwelling.

(v) Accessory Structures. With the approval of the ARB, detached accessory structures may be placed on a Lot to be used for a playhouse, tool shed, dog house, garage or other approved use. A garage may also be an attached accessory structure. Such accessory structures shall conform in exterior design and quality to the dwelling on the Lot. With the exception of a garage that is attached to a dwelling and except as may be provided otherwise by the ARB, an accessory structure placed on a Lot shall be located only behind the dwelling as such dwelling fronts on the street abutting such Lot or in a location approved by the ARB. All accessory structures shall be located within side and rear setback lines as may be required by the ARB, by applicable zoning law or by the Zoning Conditions.

(vi) Utility Lines. Overhead utility lines, including lines for cable television, are not permitted except for temporary lines as required during construction and lines installed by or

at the request of Declarant.

(vii) Standard Mailboxes. The ARB reserves the right to approve the style, design, color and location prior to any original installation or replacement of any mailbox and may require the installation of a standard mailbox. Application shall be made to the ARB prior to installation or replacement. By accepting a deed to a Lot, each Owner agrees that the ARB may remove any non-approved mailbox in a reasonable manner; all costs for same shall be paid by Owner of such Lot, and all claims for damages caused by the ARB are waived.

(viii) Swimming Pools. Above ground swimming pools are prohibited within the Properties.

(ix) Minimum Dwelling Size. The Design Guidelines may establish a minimum square footage of enclosed, heated and cooled living space for residential dwellings, which minimum may vary from one portion of the Properties to another. Upon written request of an Owner, the ARB may waive the minimum square footage requirement if, in the ARB's sole discretion, the resulting appearance of such residential dwellings will preserve the overall appearance, scheme, design, value and quality within the Properties

9.6 Construction Period. After commencement of construction, each Owner shall diligently continue construction to complete such construction in a timely manner. The initial construction of all structures must be completed within one (1) year after commencement of construction, unless extended by the ARB in its sole discretion. All other construction shall be completed within the time limits established by the appropriate reviewing body at the time the project is approved by the reviewing body.

For the purposes of this Section, commencement of construction shall mean that (a) all plans for such construction have been approved and a permit issued by the ARB; (b) a building permit has been issued for the Lot by the appropriate jurisdiction; and (c) construction of a structure has physically commenced beyond site preparation. Completion of a structure shall mean that a certificate of occupancy has been issued for a dwelling on the Lot by the appropriate jurisdiction.

9.7 No Waiver of Future Approvals. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

9.8 Variance. The ARB may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with rules and regulations adopted by the ARB. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; or (c) prevent the ARB from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the

issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

9.9 Limitation of Liability. The standards and procedures established pursuant to this Article are intended to provide a mechanism for maintaining and enhancing the overall aesthetics of the Properties only, and shall not create any duty to any Person. Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only, and neither the Declarant, the Association, the Board, the ARB nor the MC shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, the adequacy of soils or drainage, nor for ensuring compliance with building codes and other governmental requirements, nor for ensuring that all dwellings are of comparable quality, value or size, of similar design, or aesthetically pleasing or otherwise acceptable to neighboring property owners. Neither the Declarant, the Association, the Board, the ARB or MC or any committee, or member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction or modifications to any Lot. In all matters, the committees and their members shall be defended and indemnified by the Association as provided in Section 4.5.

9.10 Enforcement. Declarant, any member of the ARB, the MC or the Board, or the representatives of each shall have the right, during reasonable hours and after reasonable notice, to enter upon any Lot to inspect for the purpose of ascertaining whether any structure or improvement is in violation of this Article. Any structure, improvement or landscaping placed or made in violation of this Article shall be deemed to be nonconforming. Upon written notice from the ARB or MC, Owners shall, at their own cost and expense, remove such structure or improvement and restore the property to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore the property as required, any authorized agent of Declarant, the ARB, MC or the Board shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as previously existed. Entry for such purposes and in compliance with this Section shall not constitute a trespass. In addition, the Board may enforce the decisions of Declarant, the ARB and the MC by any means of enforcement described in Section 4.3. All costs, together with the interest at the maximum rate then allowed by law, may be assessed against the benefited Lot and collected as a Specific Assessment pursuant to Section 8.5.

Unless otherwise specified in writing by the committee granting approval, all approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Lot, unless approval to modify any application has been obtained. If, after commencement, any Person fails to diligently pursue to completion all approved work, the Association shall be authorized, after notice to the Owner of the Lot and an opportunity to be heard in accordance with the By-Laws, to enter upon the Lot and remove or complete any incomplete work and to assess all costs incurred against the Lot and the Owner thereof as a Specific Assessment pursuant to Section 8.5.

Neither the ARB, MC or any member of the foregoing nor the Association, the Declarant, or their members, officers or directors shall be held liable to any Person for exercising the rights granted by this Article. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Article or the Design Guidelines

may be excluded by the ARB from the Properties, subject to the notice and hearing procedures contained in the By-Laws.

In addition to the foregoing, the Association shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the ARB and MC.

ARTICLE 10. USE RESTRICTIONS

10.1 General. This Article sets out certain use restrictions with which all Owners and Occupants must comply. The Properties shall be used only for residential, recreational, and related purposes (which may include, without limitation, model homes, sales offices for Declarant and/or Builders, an information center and/or a sales office for any real estate broker retained by Declarant to assist in the sale of property described on Exhibits "A" or "B," offices for any property manager retained by the Association, business offices for Declarant or the Association and related parking facilities) consistent with the Zoning Conditions, this Declaration and any Supplemental Declaration.

10.2 Rules and Regulations. In addition to the use restrictions set forth in this Article, the Board may, from time to time, without consent of the Members, promulgate, modify, or delete rules and regulations applicable to the Properties. Such rules shall be distributed to all Owners and Occupants prior to the date that such rules are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled, or modified in a regular or special meeting by Members holding a Majority of the total Class "A" votes in the Association, and, during the Development Period, the written consent of Declarant.

10.3 Occupants Bound. All provisions of the Governing Documents shall also apply to all Occupants even though Occupants are not specifically mentioned.

10.4 Leasing. Lots may be leased for residential purposes only. All leases shall require, without limitation, that the tenant acknowledge receipt of a copy of the Governing Documents. The lease shall also obligate the tenant to comply with the foregoing. The Board may require notice of any lease together with such additional information deemed necessary by the Board.

10.5 Residential Use. Lots may be used only for residential purposes of a single family and for ancillary business or home office uses. A business or home office use shall be considered ancillary so long as: (a) the existence or operation of the activity is not apparent or detectable by sight, sound, or smell from outside the Lot; (b) the activity conforms to the Zoning Conditions and all zoning requirements for the Properties; (c) the activity does not involve regular visitation of the Lot by clients, customers, suppliers, or other invitees or door-to-door solicitation of residents of the Properties; (d) the activity does not increase traffic or include frequent deliveries within the Properties; and (e) the activity is consistent with the residential character of the Properties and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Properties, as may be determined in the sole discretion of the Board.

No other business, trade, or similar activity shall be conducted upon a Lot without the

prior written consent of the Board. The terms "business" and "trade," as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (a) such activity is engaged in full or part-time, (b) such activity is intended to or does generate a profit or (c) a license is required.

The leasing of a Lot shall not be considered a business or trade within the meaning of this Section. This Section shall not apply to any activity conducted by Declarant or a Builder approved by Declarant with respect to its development and sale of the Properties or its use of any Lots which it owns within the Properties.

No garage sale, moving sale, rummage sale, auction or similar activity shall be conducted upon a Lot without the prior written consent of the Board and compliance with any rules adopted by the Board.

10.6 Occupancy of Unfinished Dwellings. No dwelling erected upon any Lot shall be occupied in any manner before commencement of construction or while in the course of construction, nor at any time prior to the dwelling being fully completed.

10.7 Vehicles.

(a) Automobiles and non-commercial trucks and vans shall be parked only in the garages or in the driveways, if any, serving the Lots unless otherwise approved by the ARB; provided however, Declarant and/or the Association may designate certain on-street parking areas for visitors or guests subject to reasonable rules. No automobile or non-commercial truck or van may be left upon any portion of the Properties, except in a garage, if it is unlicensed or if it is in a condition such that it is incapable of being operated upon the public highways. Such vehicle shall be considered a nuisance and may be removed from the Properties. No motorized vehicles shall be permitted on pathways, sidewalks, trails or unpaved Common Area except for public safety vehicles authorized by the Board.

(b) Recreational vehicles shall be parked only in the garages, if any, serving the Lots or, with the prior written approval of the ARB, other hard-surfaced areas which are not visible from the street; provided however, guests of an Owner or Occupant may park a recreational vehicle on the driveway serving such Owner or Occupant's Lot for a period not to exceed seven (7) Days each calendar year. "Visibility" shall be determined by the ARB in its sole discretion. The term "recreational vehicles," as used herein, shall include, without limitation, motor homes, mobile homes, boats, "jet skis" or other watercraft, trailers, other towed vehicles, motorcycles, minibikes, scooters, go-carts, golf carts, campers, buses, commercial trucks and commercial vans. Any recreational vehicle parked or stored in violation of this provision in excess of three (3) Days shall be considered a nuisance and may be removed from the Properties. Declarant and/or the Association may designate certain parking areas within the Properties for recreational vehicles subject to reasonable rules and fees, if any.

c) Service and delivery vehicles may be parked in the Properties during daylight hours for such periods of time as are reasonably necessary to provide service or to make a delivery within the Properties.

(d) All vehicles shall be subject to such reasonable rules and regulations as the Board of Directors may adopt.

10.8 Use of Common Area. There shall be no obstruction of the Common Area, nor shall anything be kept, parked or stored on any part of the Common Area without the prior written consent of the Association. With the prior written approval of the Board of Directors, and subject to any restrictions imposed by the Board, an Owner or Owners may reserve portions of the Common Area for use for a period of time as set by the Board. Any such Owner or Owners who reserve a portion of the Common Area as provided herein shall assume, on behalf of such Owner and such Owner's guests and Occupants, all risks associated with the use of the Common Area and all liability for any damage or injury to any person or thing as a result of such use. The Association shall not be liable for any damage or injury resulting from such use unless such damage or injury is caused solely by the willful acts or gross negligence of the Association, its agents or employees.

10.9 Animals and Pets. No animals, livestock, or poultry of any kind may be raised, bred, kept, or permitted on any Lot, with the exception of dogs, cats, or other usual and common household pets in reasonable number, as determined by the Board. No animals shall be kept, bred or maintained for commercial purposes without prior written Board approval. All pets shall be reasonably controlled by the owner whenever outside a dwelling and shall be kept in such a manner as to not become a nuisance by barking or other acts. The owners of the pet shall be responsible for all of the pet's actions. Pets shall not be permitted in any pond or other body of water. If, in the sole opinion of the Board, any animal becomes dangerous or an annoyance or nuisance in the Properties or to nearby property or destructive of wildlife, such animal shall be removed from the Properties. By way of explanation and not limitation, this Section may be enforced by exercising self-help rights provided in Section 4.3. This provision shall not be construed to interfere with any provision under the Americans with Disabilities Act, the Fair Housing Amendments Act, or any similar applicable federal, state or local law, ordinance or regulation. Service animals in active use shall be permitted on the Properties.

10.10 Nuisance. It shall be the responsibility of each Owner and occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property. No property within the Properties shall be used, in whole or in part, for the storage of any item or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might, in the sole discretion of the Board, disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property.

No noxious or offensive activity shall be carried on within the Properties, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any Person using any property within the Properties. There shall not be maintained any plants or

animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Properties. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes or as approved by the ARB, shall be located, installed or maintained upon the exterior of any structure on a Lot unless required by law. Any siren or device for security purposes shall contain a device or system which causes it to shut off automatically.

The reasonable and normal development, construction and sales activities conducted or permitted by Declarant shall not be considered a nuisance or a disturbance of the quiet enjoyment of any Owner or Occupant.

10.11 Storage of Materials, Garbage, Dumping, Etc. All garbage cans shall be located or screened so as to be concealed from view of neighboring streets and property. All rubbish, trash, and garbage shall be placed in appropriate containers, regularly removed and shall not be allowed to accumulate. There shall be no dumping of grass clippings, leaves or other debris; rubbish, trash or garbage; petroleum products, fertilizers, or other potentially hazardous or toxic substances on any portion of the Properties, including but not limited to, any drainage ditch, stream, pond, or storm drain within the Properties, except that fertilizers may be applied to landscaping on Lots provided care is taken to minimize runoff and provided further that the fertilizers comply with any and all applicable state, county, and/or local regulations.

Each Owner shall maintain such Owner's Lot in a neat and orderly condition throughout initial construction of a residential dwelling and not allow trash or debris from its activities to be carried by the wind or otherwise scattered within the Properties. Storage of construction materials on the Lot shall be subject to such conditions, rules, and regulations as may be set forth in the Design Guidelines. Each Owner shall keep roadways, easements, swales, and other portions of the Properties clear of silt, construction materials and trash from its activities at all times. Trash and debris during initial construction of a residential dwelling shall be contained in standard size dumpsters or other appropriate receptacles and removed regularly from Lots and shall not be buried or covered on the Lot. Any Lot on which construction is in progress must be policed prior to each weekend, and during the weekend all materials shall be neatly stacked or placed and any trash or waste materials shall be removed. In addition, Owners shall remove trash and debris from such Owner's Lot upon reasonable notice by Declarant in preparation for special events.

10.12 Combustible Liquid. There shall be no storage of gasoline, propane, heating or other fuels, except for a reasonable amount of fuel that may be stored in containers appropriate for such purpose on each Lot for emergency purposes and operation of lawn mowers, grills, and similar tools or equipment and except as may be approved in writing by the ARB. The Association shall be permitted to store fuel for operation of maintenance vehicles, generators and similar equipment.

10.13 Guns. The discharge of firearms on the Properties is prohibited. The term "firearms" includes without limitation "B-B" guns, pellet guns, and firearms of all types. The Board may impose fines and exercise other enforcement remedies as set forth in this Declaration, but shall have no obligation to exercise self-help to prevent or stop any such discharge.

10.14 Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed after a subdivision plat including such Lot has been approved and filed in the Public Records without Declarant's prior written consent during the Development Period, and the prior written consent of the ARB thereafter. In addition, no home shall be subdivided or partitioned to create housing for more than a single family. Declarant, however, hereby expressly reserves the right to replat any Lot or Lots which it owns. Any such division, boundary line change, or replatting shall not be in violation of the Zoning Conditions or the applicable subdivision and zoning regulations, if any.

10.15 Sight Distance at Intersections. All property located at street intersections or driveways shall be landscaped, improved and maintained so as to permit safe sight across such areas. No fence, wall, hedge or shrub shall be placed or permitted to remain where it would cause a traffic or sight problem.

10.16 Drainage and Grading.

(a) Catch basins and drainage areas are for the purpose of natural flow of water only. No improvements, obstructions or debris shall be placed in these areas. No Owner or occupant may obstruct or re-channel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains.

(b) Each Owner shall be responsible for maintaining all drainage areas located on such Owner's Lot. Required maintenance shall include, but not be limited to, maintaining ground cover in drainage areas and removing any accumulated debris from catch basins and drainage areas.

(c) Each Owner shall be responsible for controlling the natural and man-made water flow from such Owner's Lot. No Owner shall be entitled to overburden the drainage areas or drainage system within any portion of the Properties with excessive water flow from such Owner's Lot. Owners shall be responsible for all remedial acts necessary to cure any unreasonable drainage flows from Lots. Neither the Association nor Declarant bears any responsibility for remedial actions to any Lot.

(d) Use of any areas designated as "drainage easement areas" on any recorded subdivision plat of the Properties, shall be subject to strict prohibitions against encroachment of structures into, over or across the drainage easement areas, and the right of Declarant and the Association to enter upon and maintain the drainage easement areas. Such maintenance activities may include disturbance of landscaping pursuant to the terms contained in any declaration of easements, notwithstanding approval of the landscaping as set forth in Article 9.

(e) No Person shall alter the grading of any Lot without prior approval pursuant to Article 9 of this Declaration. Declarant hereby reserves for itself and the Association a perpetual easement across the Properties for the purpose of altering drainage and water flow. The exercise of such an easement shall not materially diminish the value of or unreasonably interfere with the use of any Lot without the Owner's consent.

(f) All Persons shall comply with any and all applicable city, county, state and federal

erosion control ordinances and regulations in construction of improvements on any Lot and, where required, shall maintain silt fencing and vegetative and structural sediment control and collection devices.

(g) All Persons shall comply with any and all applicable state or county ground disturbance laws, including, but not limited to Chapter 9 of Title 25 of the Official Code of Georgia Annotated, specifically O.C.G.A. §25-9-6 also referred to as the Call-Before-You-Dig law.

10.17 Irrigation. Owners shall not install sprinkler or irrigation systems which draw upon ground or surface waters nor from any ponds, or other body of water within the Properties. However, Declarant and the Association shall have the right to draw water from such sources for the purpose of irrigating the Area of Common Responsibility.

10.18 Streams. No streams which run across any Lot may be dammed, or the water there from impounded, diverted, or used for any purpose without the prior written consent of the Board, except that Declarant shall have such rights as provided in Article 11.

10.19 Wetlands. All areas designated on a recorded plat as "wetlands" shall be generally left in a natural state, and any proposed alteration of the wetlands must be in accordance with any restrictions or covenants recorded against such property and be approved by all appropriate regulatory bodies. Prior to any proposed alteration of a Lot, the Owner shall determine if any portion thereof meets the requirements for designation as a regulatory wetland. Notwithstanding anything contained in this Section, the Declarant, the Association, and the successors, assigns, affiliates and designees of each may conduct such activities as have been or may be permitted by the U.S. Army Corps of Engineers or any successor thereof responsible for the regulation of wetlands.

10.20 Open Spaces, Green Spaces, Parks, and Other Recreational Areas. Owners, Occupants and pets, shall refrain from any actions on their Lots which would deter from the enjoyment of areas within or adjacent to the Properties designated as "Open Spaces", "Green Spaces", "Parks", and/or "Recreational Areas". Prohibited activities shall include, but shall not be limited to, burning materials where the smoke will cross such areas, maintenance of dogs or other pets which interfere with the use of such areas due to their loud barking or other actions, and playing of loud radios, televisions, stereos or musical instruments.

10.21 Buffer Areas, Historic Sites, and Conservation Areas. All areas identified on the Master Plan or any plat of the Properties as buffer areas, Historic Sites and Conservation Areas or qualifying as such shall remain undisturbed and be left in its natural vegetative state. No area constituting or delineated as buffer areas, Historic Sites or Conservation Areas shall be disturbed unless approved in writing by the Board of Directors and the appropriate state governing authority.

10.22 Timesharing. No Lot shall be made subject to or operated as a timesharing, fraction-sharing or similar program whereby the right to exclusive use of the Lot rotates among participants in the program on a fixed or floating time schedule over a period of years; however,

Declarant may exempt certain Neighborhoods from this prohibition and by Supplemental Declaration create a timesharing, fractionsharing or similar program and supplement, create exceptions to or modify the terms of this Declaration as it applies to such Neighborhoods in order to reflect the different character and intended use of such property.

10.23 Conservation Area. All portions of the Properties that are subject to a conservation easement shall be known as "Conservation Areas" and shall be generally left in their natural state. Any proposed alteration of a Conservation Area, including the removal of fallen limbs, dead trees or other natural debris, shall require the written consent of the ARB and, during the Development Period, the written consent of Declarant.

ARTICLE 11. EASEMENTS

Declarant reserves, creates, establishes, promulgates, and declares the non-exclusive, perpetual easements set forth herein for the enjoyment of the Declarant, the Association, the Members, the Owners, and their successors-in-title.

11.1 Easements of Encroachment. Declarant reserves, creates, establishes, promulgates and declares non-exclusive, perpetual, reciprocal, appurtenant easements of encroachment, and for maintenance and use of any permitted encroachment, between adjacent Lots and between each Lot and any adjacent Common Area due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of these restrictions) to a distance of not more than three (3) feet, as measured from any point on the common boundary along a line perpendicular to such boundary. However, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of, or with the knowledge and consent of, the Person claiming the benefit of such easement.

11.2 Easements for Utilities, Etc.

(a) Declarant reserves, creates, establishes, promulgates and declares non-exclusive, perpetual, reciprocal, appurtenant easements, for itself during the Development Period, for the Association, and the designees of each (which may include, without limitation, any governmental or quasi-governmental entity and any utility company) perpetual non-exclusive easements upon, across, over, and under all of the Properties but not through a structure, existing or proposed, to the extent reasonably necessary for the purpose of installing, constructing, monitoring, replacing, repairing, maintaining, operating and removing cable, digital or similar television systems, master television antenna systems, and other devices for sending or receiving data and/or other electronic signals; security and similar systems; roads, walkways, pathways and trails, ponds, wetlands, irrigation, and drainage systems; street lights and signage; and all utilities, including, but not limited to, water, sewer, telephone, gas, and electricity, and utility meters; and an easement for access of vehicular and pedestrian traffic over, across, and through the Properties, as necessary, to exercise the easements described above.

Declarant may assign to the local water supplier, sewer service provider, if any, electric

company, telephone company, internet provider, cable provider, and natural gas supplier the easements set forth herein across the Properties for ingress, egress, installation, reading, replacing, repairing, and maintaining utility lines, meters and boxes, as applicable.

(b) Declarant reserves, creates, establishes, promulgates and declares for itself during the Development Period and its designees non-exclusive, perpetual, reciprocal, appurtenant easements, and the non-exclusive right and power to grant such specific easements as may be necessary, in the sole discretion of Declarant, in connection with the orderly development of any property described on Exhibits "A" or "B."

Any damage to a Lot resulting from the exercise of the easements described in subsections (a) and (b) of this Section shall promptly be repaired by, and at the expense of, the Person exercising the easement. Nothing contained herein shall obligate Declarant, the Association or the Board to pursue legal recourse against any Person damaging a Lot or any portion thereof as a result of the exercise of this easement. The exercise of these easements shall not extend to permitting entry into the structures on any Lot, nor shall it unreasonably interfere with the use of any Lot, and except in an emergency, entry onto any Lot shall be made only after reasonable notice to the Owner or occupant.

Declarant reserves unto itself the right, in the exercise of its sole discretion, upon the request of any Person holding, or intending to hold, an interest in the Properties, or at any other time, (i) to release all or any portion of the Properties from the burden, effect, and encumbrance of any of the easements granted or reserved under this Section, or (ii) to define the limits of any such easements.

11.3 Easement for Slope Control, Drainage and Waterway Maintenance. Declarant reserves, creates, establishes, promulgates and declares non-exclusive, perpetual, appurtenant easements, for itself and the Association, and their respective representatives, successors and assigns, contractors and agents, over, across, under, through and upon each Lot for the purposes of:

(a) controlling soil erosion, including grading and planting with vegetation any areas of any Lot which are or may be subject to soil erosion;

(b) drainage of natural or man-made water flow and water areas from any portion of the Properties;

(c) changing, modifying or altering the natural flow of water, water courses or waterways on or adjacent to any Lot or Common Area;

(d) dredging, enlarging, reducing or maintaining any water areas or waterways within the Properties; and

(e) installing such pipes, lines, conduits or other equipment as may be necessary for slope control, drainage and waterway maintenance of any portion of the Properties.

11.4 Easements to Serve Additional Property. Declarant reserves, creates, establishes, promulgates and declares non-exclusive, perpetual, appurtenant easements for itself and its duly

authorized successors and assigns, including without limitation its successors-in-title, agents, representatives, and employees, successors, assigns, licensees, and mortgagees, an easement over the Common Area for the purposes of enjoyment, use, access, and development of the Additional Property, whether or not such property is made subject to this Declaration. This easement includes, but is not limited to, a right of ingress and egress over the Common Area for construction of roads, for the posting of signs, and for connecting and installing utilities serving the Additional Property. Declarant agrees that it and its successors or assigns shall be responsible for any damage caused to the Common Area as a result of vehicular traffic connected with development of the Additional Property,

11.5 Easement for Entry.

(a) Declarant reserves, creates, establishes, promulgates and declares non-exclusive, perpetual, appurtenant easements for the Association to enter upon any Lot for emergency, security, and safety reasons. Such right may be exercised by any member of the Board, the Association's officers, committee members, agents, employees and managers of the Association, and by all police officers, fire fighters, ambulance personnel, and similar emergency personnel in the performance of their duties. Except in emergencies, entry onto a Lot shall be only during reasonable hours and after notice to the Owner. This easement includes the right to enter any Lot to cure any condition which may increase the possibility of fire, slope erosion, immediate risk of personal injury, or other hazard if an Owner fails or refuses to cure the condition within a reasonable time after request by the Board, but shall not authorize entry into any dwelling without permission of the Owner, except by emergency personnel acting in their official capacities. Entry under this Section shall not constitute a trespass.

(b) Declarant hereby reserves for itself and grants to the Association, to the relatives or descendants of any deceased person in any cemetery or burial ground that is located within the boundary of the Properties and to any persons seeking access to any cemetery or burial ground for academic or historical purposes a nonexclusive, perpetual easement of ingress and egress over such portions of the Common Area as are necessary for such access.

11.6 Easements for Maintenance and Enforcement.

(a) Declarant reserves, creates, establishes, promulgates and declares non-exclusive, perpetual, appurtenant rights and easements for the Association to enter all portions of the Properties, including each Lot but excluding the interior of any residential dwelling, to (i) perform its maintenance responsibilities under Article 5, and (ii) make inspections to ensure compliance with the Governing Documents. Except in emergencies, entry onto a Lot shall be only during reasonable hours. This easement shall be exercised with a minimum of interference to the quiet enjoyment to Owners' property, and any damage shall be repaired by the Association at its expense.

(b) The Association may also enter a Lot, excluding the interior of any residential dwelling, to abate or remove, using such measures as may be reasonably necessary, any structure, thing or condition which violates the Governing Documents. All costs incurred, including reasonable attorneys' fees, may be assessed against the violator as a Specific Assessment.

(c) Entry under this Section shall not constitute a trespass, and prior notice to the Owner shall not be required except as provided in Section 5.2.

11.7 Easement for Walking Trail Access. Declarant hereby reserves, creates, establishes, promulgates and declares perpetual, non-exclusive easements for itself, its successors, assigns and designees, the Association and Owners over and across any areas designated as "walking trails" or "paths" on any recorded subdivision plat of the Properties regardless of whether such trails or paths are located on Lots or Common Areas. Use of such walking trails or paths shall be governed by reasonable rules and regulations promulgated by the Association.

11.8 Easements for Stream or Wetland Maintenance and Flood Water. Declarant reserves, creates, establishes, promulgates and declares for itself and its successors, assigns, and designees and the Association the nonexclusive, perpetual, appurtenant right and easement, but not the obligation, to enter upon any ponds, streams, and wetlands located within the Area of Common Responsibility to (a) install, keep, maintain, and replace pumps and irrigation systems in order to provide water for the irrigation of any of the Area of Common Responsibility; (b) draw water from such sources for purposes of irrigation; (c) construct, maintain, and repair any bulkhead, wall, darn, or other structure retaining water; and (d) remove trash and other debris there from and fulfill maintenance responsibilities as provided in this Declaration. The Declarant, the Association, and their designees shall have an access easement over and across any of the Properties abutting or containing any portion of any pond, stream, or wetland to the extent reasonably necessary to exercise their rights under this Section.

Declarant further reserves, creates, establishes, promulgates and declares for itself and its successors, assigns and designees, and the Association the non-exclusive, perpetual, appurtenant right and easement of access and encroachment over the Common Area and Lots (but not the dwellings thereon) adjacent to or within fifteen (15) feet of any pond, stream or wetland in order to (a) temporarily flood and back water upon and maintain water over such portions of the Properties; (b) fill, drain, dredge, deepen, clean, fertilize, dye, and generally maintain, including, but not limited to the reasonable removal of trees, vegetation, grass and weeds, as needed, any pond, stream, or wetland within the Area of Common Responsibility; (c) maintain and landscape the slopes and banks pertaining to any pond, stream, or wetland; (d) disturb existing landscaping; and (e) pile dirt and plant materials. All persons entitled to exercise these easements shall use reasonable care in, and repair any damage resulting from the intentional exercise of such easements. All affected areas shall be restored to a neat and attractive condition to the extent practical, as soon as reasonably possible after completion of any construction or maintenance activities authorized in this Declaration. Nothing herein shall be construed to make Declarant or any other Person liable for damage resulting from flooding due to heavy rainfall or other natural disasters.

Declarant reserves unto itself the right, in the exercise of its sole discretion, upon the request of any Person holding, or intending to hold, an interest in the Properties, or at any other time, (a) to release all or any portion of the Properties from the burden, effect, and encumbrance of any of the easements granted or reserved under this Section, or (b) to define the limits of any such easements.

11.9 Lateral Support. Declarant reserves, creates, establishes, promulgates and declares nonexclusive, perpetual, reciprocal, appurtenant easements over every portion of the Common Area, every Lot, and any improvement which contributes to the lateral support of another portion of the Common Area or of another Lot for lateral support, and each shall also have the right to lateral support which shall be appurtenant to and pass with title to such property.

11.10 Easement for Special Events. Declarant reserves, creates, establishes, promulgates and declares for itself, its successors, assigns and designees a perpetual, non-exclusive appurtenant easement over the Common Area for the purpose of conducting or allowing its designees to conduct educational, cultural, entertainment, promotional or sporting events, and other activities of general community interest at such locations and times as Declarant, in its sole discretion, deems appropriate. Each Owner, by accepting a deed or other instrument conveying any interest in a Lot, acknowledges and agrees that the exercise of this easement may result in a temporary increase in traffic, noise, gathering of crowds, and related inconveniences, and each Owner agrees on behalf of itself and the occupants of its Lot to take no action, legal or otherwise, which would interfere with the exercise of such easement or to recover damages for or as the result of any such activities.

11.11 Liability for Use of Easements. No Owner shall have a claim or cause of action against the Declarant, the Association, their successors or assigns, arising out of the exercise or non-exercise of any easement reserved hereunder or shown on any subdivision plat for the Properties, except in cases of willful or wanton misconduct.

ARTICLE 12. MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Lots in the Properties. The provisions of this Article apply to both this Declaration and to the ByLaws, notwithstanding any other provisions contained therein.

12.1 Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Lot to which its Mortgage relates, thereby becoming an “Eligible Holder”), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Properties or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such Eligible Holder;

(b) Any delinquency in the payment of assessments or charges owed by a Lot subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of sixty (60) Days, or any other violation of the Declaration or By-Laws relating to such Lot or the Owner or occupant which is not cured within sixty (60) Days;

(c) Any lapse, cancellation, or material modification of any insurance policy maintained

by the Association; or

(d) Any proposed action which would require the consent of a specified percentage of Eligible Holders pursuant to Federal Home Loan Mortgage Corporation requirements.

12.2 No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

12.3 Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

12.4 Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) Days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

12.5 Construction of Article 12. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or Georgia law for any of the acts set out in this Article.

ARTICLE 13. DECLARANT'S RIGHTS

13.1 Transfer or Assignment. Any or all of the special rights and obligations of Declarant set forth in the Governing Documents may be transferred or assigned in whole or in part to the Association or to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that which Declarant has under this Declaration or the By--Laws. Upon any such transfer, Declarant shall be automatically released from any and all liability arising with respect to such transferred rights and obligations. No such transfer or assignment shall be effective unless it is in a written instrument signed by Declarant and duly recorded in the Public Records.

13.2 Development and Sales. Declarant and Builders authorized by Declarant may maintain and carry on the Properties such activities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the development of the Properties and/or the construction or sale of Lots, such as sales activities, tournaments, charitable events, and promotional events, and restrict Members from using the Common Area during such activities. Such activities shall be conducted in a manner to minimize (to the extent reasonably possible) any substantial interference with the Members' use and enjoyment of the Common Area. In the event that any such activity necessitates exclusion of Owners from Common Areas, such activities shall not exceed seven (7) consecutive Days. Declarant and authorized Builders shall have easements over the Properties for access, ingress and conducting such activities.

In addition, Declarant and Builders authorized by Declarant may establish within the

Properties, including any clubhouse, such facilities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the development of the Properties and/or the construction or sale of Lots, including, but not limited to, business offices, signs, model units, tents, sales offices, sales centers and related parking facilities. During the Development Period, Owners may be excluded from use of all or a portion of such facilities in Declarant's sole discretion. Declarant and authorized Builders shall have easements over the Properties for access, ingress, and egress and use of such facilities.

Declarant may permit the use of any facilities situated on the Common Area by Persons other than Owners without the payment of any use fees.

13.3 Improvements to Common Areas. Declarant and its employees, agents and designees shall also have a right and easement over and upon all of the Common Area for the purpose of making, constructing and installing such improvements to the Common Area as it deems appropriate in its sole discretion.

13.4 Additional Covenants. No Person shall record any declaration of covenants, conditions and restrictions, declaration of condominium, easements, or similar instrument affecting any portion of the Properties without Declarant's written consent. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by Declarant and recorded in the Public Records. No such instrument recorded by any Person, other than Declarant pursuant to Section 7.4, may conflict with the Governing Documents.

13.5 Right of the Declarant to Disapprove Actions. Until two (2) years following the termination of the Class "B" membership, Declarant shall have the right to disapprove any action, policy or program of the Association, the Board and any committee which, in the sole judgment of Declarant, would tend to impair rights of Declarant or Builders under the Governing Documents, or interfere with development of, construction on, or marketing of any portion of the Properties, or diminish the level of services being provided by the Association. This right to disapprove is in addition to, and not in lieu of, any right to approve or disapprove specific actions of the Association, Board or any committee as may be granted to Declarant in the Governing Documents.

(a) Declarant shall be given written notice of all meetings and proposed actions approved at meetings (or by written consent in lieu of a meeting) of the Association, Board or any committee. Such notice shall be given by certified mail, return receipt requested, or by personal delivery at the address Declarant has registered with the secretary of the Association, which notice complies with the By-Laws and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth in reasonable particularity the agenda to be followed at such meeting. Declarant may waive its right to receive notice in the same manner as provided in the By-Laws.

(b) Declarant shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program which would be subject to the right of disapproval set forth herein. Declarant, its representatives or agents may make its concerns, thoughts, and suggestions known to the Board

and/or the members of the subject committee.

c) No action, policy or program subject to the right of disapproval set forth herein shall become effective or be implemented until and unless the requirements of subsections (a) and (b) above have been met and the time period set forth in subsection (d) below has expired.

(d) Declarant, acting through any authorized representative, may exercise its right to disapprove at any time within ten (10) Days following the meeting at which such action was proposed or, in the case of any action taken by written consent in lieu of a meeting, at any time within ten (10) Days following receipt of written notice of the proposed action. No action, policy or program shall be effective or implemented if Declarant exercises its right to disapprove. This right to disapprove may be used to block proposed actions but shall not include a right to require any action or counteraction on behalf of any committee, or the Board or Association. Declarant shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

13.6 Amendments. Notwithstanding any contrary provision of this Declaration, no amendment to or modification of any use restrictions and rules or Design Guidelines shall be effective without prior notice to and the written consent of Declarant, during the Development Period. This Article may not be amended without the written consent of Declarant. The rights contained in this Article shall terminate upon the earlier of (a) fifteen (15) years from the date this Declaration is recorded, or (b) upon recording by Declarant of a written statement that all sales activity has ceased.

ARTICLE 14. GENERAL PROVISIONS

14.1 Duration.

(a) Unless terminated as provided in Section 14.1(b), the provisions of this Declaration shall run with, bind the Properties and remain in effect perpetually to the extent permitted by law; provided, however, so long as Georgia law limits the period during which covenants restricting lands to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land for so long as permitted by Georgia law. To the extent that Georgia law limits the period during which covenants may run with the land, then to the extent consistent with such law, this Declaration shall automatically be extended at the expiration of such period for successive periods of twenty (20) years each. Notwithstanding the above, if any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

(b) Unless otherwise provided by Georgia law, this Declaration may be terminated within the first twenty (20) years after the date of recording by an instrument signed by Owners of at least ninety percent (90%) of the total Lots within the Properties, which instrument is recorded in the Public Records; provided however, regardless of the provisions of Georgia law, this Declaration may not be terminated during the Development Period without the prior written

consent of the Declarant. After twenty (20) years from the date of recording, this Declaration may be terminated **only** by an instrument signed by Owners owning at least fifty-one percent (51%) of the Lots and constituting at least fifty-one percent (51%) of the total number of Owners, and by the Declarant, if the Declarant owns any portion of the Properties, which instrument complies with the requirements of O.C.G.A. § 44-5-60(d) and is recorded in the Public Records. Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of

14.2 Amendment

(a) By Declarant. Until termination of the Class "B" membership, Declarant may unilaterally amend this Declaration for any purpose. Thereafter, Declarant may unilaterally amend this Declaration at any time and from time to time if such amendment is necessary (i) to bring any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Lots; (iii) to enable any institutional or governmental lender, purchaser, insurer or guarantor of Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee Mortgage loans on the Lots; or (iv) to satisfy the requirements of any local, state or federal governmental agency. However, any such amendment shall not adversely affect the title to any Lot unless the Owner shall consent in writing. In addition, during the Development Period, Declarant may unilaterally amend this Declaration for any other purpose, provided the amendment has no material adverse effect upon any right of any Owner. The failure of an amendment to apply uniformly to all Lots shall not constitute a material adverse effect upon the rights of any Owner.

(b) By the Board. The Board shall be authorized to amend this Declaration without the consent of the Members (i) for the purpose of submitting the Properties to the Georgia Property Owners' Association Act, O.C.G.A. §44-3-220, et seq. (1994) and conforming this Declaration to any mandatory provisions thereof, and (ii) to correct scrivener's errors and other mistakes of fact, provided that amendments under this provision have no material adverse effect on the rights of the Owners. During the Development Period, any such amendments shall require the written consent of Declarant.

(c) By Members. Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Members holding sixty-seven percent (67%) of the total Class "A" votes in the Association, and, during the Development Period, the written consent of Declarant.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(d) Validity and Effective Date. Any amendment to the Declaration shall become effective upon recordation in the Public Records, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within six (6) months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

No amendment may remove, revoke, or modify any right or privilege of Declarant or the Class "B" Member without the written consent of Declarant, the Class "B" Member, or the assignee of such right or privilege.

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

14.3 Severability. Invalidation of any provision of this Declaration, in whole or in part, or any application of a provision of this Declaration by judgment or court order shall in no way affect other provisions or applications.

14.4 Fair, Housing Amendments Act. The provisions of the Governing Documents shall be subordinate to the Fair Housing Amendments Act of 1988, 42 U.S.C. § 3601, et seq., (hereinafter referred to as "FHAA"), and shall be applied so as to comply with the FHAA. In the event that there is a conflict between or among the Governing Documents and the FHAA, the FHAA shall prevail. Notwithstanding anything to the contrary contained herein, in the event that any provision of this Declaration conflicts with the FHAA, the Board of Directors, without the consent of the Members or of the Declarant, shall have the unilateral right to amend this Declaration for the purpose of bringing this Declaration into compliance with the FHAA.

14.5 Dispute Resolution. It is the intent of the Association and Declarant to encourage the amicable resolution of disputes involving the Properties and to avoid the emotional and financial costs of litigation if at all possible. Accordingly, the Association, Declarant and each Owner covenants and agrees that it shall attempt to resolve all claims, grievances or disputes involving the Properties, including, without limitation, claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of the Governing Documents through alternative dispute resolution methods, such as mediation and arbitration. To foster the amicable resolution of disputes, the Board may adopt alternative dispute resolution procedures.

Participation in alternative dispute resolution procedures shall be voluntary and confidential. Should either party conclude that such discussions have become unproductive or unwarranted, the parties may then proceed with litigation.

14.6 Litigation. Except as provided below, no judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by Members holding eighty percent (80%) of the total Class "A" votes in the Association. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of the Governing Documents (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided in Article 8; (c) proceedings involving challenges to ad valorem taxation; (d) counter-claims brought by the Association in proceedings instituted against it or (e) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of a contract for services or supplies. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

14.7 Non-Merger. Notwithstanding the fact that Declarant is the current owner of the Properties, it is the express intention of Declarant that the easements established in this Declaration for the benefit of the Properties and Owners shall not merge into the fee simple estate of individual lots conveyed by Declarant or its successor, but that the estates of Declarant and individual lot owners shall remain as separate and distinct estates. Any conveyance of all or a portion of the Properties shall be subject to the terms and provisions of this Declaration, regardless of whether the instrument of conveyance refers to this Declaration.

14.8 Merger or Consolidation. Upon a merger or consolidation of the Association with any other association, the property, rights and obligations of the Association may, by operation of law, be transferred to another surviving or consolidated association or, alternatively, the property, rights and obligations of another association may, by operation of law, be added to the property, rights and obligations of any association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the covenants and restrictions established by this Declaration within the Properties together with the covenants and restrictions established upon any other property as one scheme; however, no such merger or consolidation shall effect any revocation, change or addition to the covenants established by this Declaration.

14.9 Grants. The parties hereby declare that this Declaration, and the easements created herein shall be and constitute covenants running with the fee simple estate of the Properties. The grants and reservations of easements in this Declaration are independent of any covenants and contractual agreements undertaken by the parties in this Declaration and a breach by either party of any such covenants or contractual agreements shall not cause or result in a forfeiture or reversion of the easements granted or reserved in this Declaration.

14.10 Cumulative Effect; Conflict. The provisions of this Declaration shall be cumulative with any additional recorded covenants, restrictions, and declarations applicable to any portion of the Properties; provided however, in the event of a conflict between or among this Declaration and such covenants, restrictions or declarations, and/or the provisions of any articles of incorporation, by-laws, rules and regulations, policies, or practices adopted or carried out pursuant thereto, this Declaration, the By-Laws, Articles, and use restrictions and rules of the Association shall prevail over those of any portion of the Properties. The foregoing priorities shall apply, but not be limited to, the lien for assessments created in favor of the Association. Nothing in this Section shall preclude any Supplemental Declaration or other recorded covenants, restrictions and declarations applicable to any portion of the Properties from containing additional covenants, restrictions or provisions which are more restrictive than the provisions of this Declaration, and the Association shall have the standing and authority to enforce the same.

14.11 Use of the "Homecoming" Name and Logo. No Person shall use the words "Homecoming" or the logo, if any, for Homecoming in any printed or promotional material without the Declarant's prior written consent. However, Owners may use the words "Homecoming" in printed or promotional matter where such terms are used solely to specify that particular property is located within Homecoming, and the Declarant, the Association and any other community association located in Homecoming, shall each be entitled to use the words "Homecoming" in their names.

14.12 Compliance. Every Owner and Occupant of any Lot shall comply with the Governing Documents. Failure to comply shall be grounds for an action by the Association, Declarant, or by any aggrieved Owner(s) to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, in addition to those enforcement powers granted to the Association in Section 4.3.

14.13 Notice of Sale or Transfer of Title. Any Owner desiring to sell or otherwise transfer title to a Lot shall give the Board at least seven (7) Days' prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. After the transfer of title, the transferor shall continue to be jointly and severally responsible with the transferee for all obligations of the Owner of the Lot, including assessment obligations, until the date upon which such notice is received by the Board, notwithstanding the transfer of title.

14.14 Exhibits. Exhibits "A" and "B" attached to this Declaration are incorporated by this reference and amendment of such exhibits shall be governed by the provisions of Section 14.2. Exhibit "C" is attached for informational purposes and may be amended as provided therein.

**BY-LAWS
OF
HOMECOMING COMMUNITY ASSOCIATION, INC.**

ARTICLE 1. NAME, PRINCIPAL OFFICE, AND DEFINITIONS

1.1 Name. The name of the corporation is Homecoming Community Association, Inc. (the "Association").

1.2 Principal Office. The principal office of the Association shall be located in Troup County, Georgia. The Association may have such other offices, either within or outside the State of Georgia, as the Board of Directors may determine or as the affairs of the Association may require.

1.3 Definitions. The words used in these By-Laws shall be given their normal, commonly understood definitions. Capitalized terms shall have the same meaning as set forth in that Declaration of Covenants, Conditions, and Restrictions for Homecoming filed in the Public Records, as it may be amended (the "Declaration"), unless the context indicates otherwise.

ARTICLE 2. ASSOCIATION: MEMBERSHIP, MEETINGS, QUORUM, VOTING, PROXIES

2.1 Membership. The Association shall have two (2) classes of membership, Class "A" and Class "B", as more fully set forth in the Declaration, the terms of which pertaining to membership are incorporated by this reference. The Declarant may establish additional classes of membership as set forth in the Declaration.

2.2 Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as the Board may designate, either within the Properties or as convenient as is possible and practical. Meetings may be held by means of telephone conference, video conference or similar communications equipment, by means of which all persons participating in the meeting can converse with each other. Participation by one of these methods shall constitute presence in person at such meeting.

2.3 Annual Meetings. The first meeting of the Association, whether a regular or special meeting, shall be held within one (1) year from the date of incorporation of the Association. Subsequent regular meetings shall be held annually on a date and at a time set by the Board.

2.4 Special Meetings. The president may call special meetings. In addition, it shall be the duty of the president to call a special meeting within thirty (30) Days if so directed by resolution of the Board or upon a petition signed by Members representing at least twenty percent (20%) of the total Class "A" votes in the Association or upon written request of the Declarant.

2.5 Notice of Meetings. Written notice stating the place, day, purpose and time of any meeting of the Members shall be delivered to each Member entitled to vote at such meeting, not less than ten (10) nor more than fifty (50) Days before the date of such meeting, by or at the direction of the president or the secretary or the officers or persons calling the meeting.

No business shall be transacted at a meeting except as stated in the notice; provided, however, if Members holding at least twenty percent (20%) of the Class "A" votes are present at an annual meeting, in person or by proxy, matters in addition to those set forth in the notice of the meeting may be voted upon without further notice to the Members.

2.6 Waiver of Notice. Waiver of notice of a meeting of the Association shall be deemed the equivalent of proper notice. Any Member may, in writing, waive notice of any meeting of the Association, either before or after such meeting. Attendance at a meeting shall be deemed a waiver of any objection as to notice of the time, date, and place thereof, unless specific objection as to the lack of proper notice is given at the time the meeting is called to order. Attendance at a meeting shall also be deemed a waiver of notice of all business transacted at such meeting unless an objection on the basis of lack of proper notice is raised before the business is put to a vote.

2.7 Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, Members or their proxies holding a Majority of the votes represented at such meeting may adjourn the meeting to a time not less than five (5) nor more than twenty (20) Days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business may be transacted which might have been transacted at the meeting originally called. If a time and place for reconvening the meeting is not set by those in attendance at the original meeting or if for any reason a new date is set for reconvening the meeting after adjournment, notice for reconvening the meeting shall be given to Members in the manner prescribed in Section 2.5.

2.8 Voting. The voting rights of the Members shall be as set forth in the Declaration and in these ByLaws, and such voting rights provisions are specifically incorporated by this reference, The Board may adopt policies and procedures regarding the methods of casting votes, such as written ballots, secret ballots or computer access.

2.9 List for Voting. After setting a record date for notice of a meeting, the Board shall prepare an alphabetical list of the names of the Members entitled to notice of such meeting. The List shall show the address of the Member and the number of votes each is entitled to vote at the meeting. The list for voting shall be made available for inspection in accordance with Georgia law.

2.10 Proxies. At all meetings of Members, each Member may vote in person (if a corporation, partnership, or limited liability company, or trust, through any officer, director, partner, member, manager or fiduciary duly authorized to act on behalf of the Member) or by proxy, subject to the limitations of Georgia law. Every proxy shall be in writing specifying the Lot(s) for which it is given, signed by the Member or such Member's duly authorized attorney-in-fact, dated, and filed with the secretary of the Association prior to the meeting for which it is to be effective. Unless otherwise specifically provided in the proxy, a proxy shall be presumed to cover all votes which the Member giving such proxy is entitled to cast, and in the event of any conflict between two (2) or more proxies purporting to cover the same voting rights, the later dated proxy shall prevail, or if dated as of the same date, both shall be deemed invalid. Every proxy shall be revocable and shall automatically cease upon the earlier of (a) conveyance of any Lot for which it was given; (b) receipt of notice by the secretary of the death or judicially declared incompetence of a Member who is a natural person; (c) written revocation; or (d) eleven (11) months from the date of the proxy, unless a shorter period is specified in the proxy.

2.11 Quorum. The presence, in person or by proxy, of Members representing ten percent (10%) of the total Class "A" votes in the Association shall constitute a quorum at all meetings of the Association. If a quorum is present, business may be continued until adjournment, notwithstanding the withdrawal of Members leaving less than a quorum, provided that any action taken is approved by at least a Majority of the votes required to constitute a quorum..

2.12 Conduct of Meetings. The president shall preside over all meetings of the Association secretary shall keep the minutes of the meetings and record in a minute book all resolutions adopted and all other transactions occurring at such meetings.

2.13 Action Without a Meeting. Any action required or permitted by law to be taken at a meeting of the Association may be taken without a meeting, without prior notice and without a vote, if written consent specifically authorizing the proposed action is signed by all Members entitled to vote on such matter. Such consents shall be filed with the minutes of the Association and shall have the same force and effect as a vote of the Members at a meeting. Within ten (10) Days after receiving authorization for any action by written consent, the secretary shall give written notice to all Members summarizing the material features of the authorized action.

ARTICLE 3. BOARD OF DIRECTORS: NUMBER, POWERS, MEETINGS

A. Composition and Selection.

3.1 Governing Body: Composition. The affairs of the Association shall be governed by a Board of Directors, each of whom shall have one (1) equal vote. Except with respect to directors appointed by the Class "B" Member or serving as a representative of the Declarant, the directors shall be eligible Members or residents; provided, however, no Owner and resident representing the same Lot may serve on the Board at the same time. No Owner or resident shall be eligible to serve as a director if any assessment for such Owner's or resident's Lot is delinquent. A "resident" for the purposes of these By-Laws shall mean any natural person eighteen (18) years of age or older whose principal place of residence is a Lot within the Properties. In the case of a Member which is not a natural person, any officer, director, partner, member, manager, employee, or fiduciary of such Member shall be eligible to serve as a director unless otherwise specified by written notice to the Association signed by such Member, provided no Member may have more than one (1) such representative on the Board at a time, except in the case of directors appointed by or serving as representatives of the Class "B" Member or the Declarant.

3.2 Directors During Class "B" Membership. The initial Board shall be comprised of the three (3) persons named in the Articles, Subsequent directors may be appointed and removed by the Class "B" Member acting in its sole discretion for so long as the Class "B" membership exists.

3.3 Number, Nomination and Election of Directors. Except as provided in Section 3.2, the Board shall consist of three (3) directors elected by the Class "A" Members of the Association. The number of directors may be increased or decreased at any time by Board resolution.

Elected directors shall be nominated from the floor at a meeting of the Members and may also be nominated by a nominating committee, if such committee is established by the Board. All candidates shall have a reasonable opportunity to communicate their qualifications to the Members and to solicit votes.

Each Owner may cast all votes assigned to such Owner's Lots for each position to be filled. There shall be no cumulative voting. That number of candidates equal to the number of positions to be filled receiving the greatest number of votes shall be elected. Directors shall be elected for a term of one (1) year and may be elected to serve any number of consecutive terms.

3.4 Removal of Directors and Vacancies. Any director elected by the Class "A" Members may be removed, with or without cause, by Members holding two-thirds (2/3) of the votes entitled to be cast for the election of such director, but shall not be subject to removal solely by the Class "B" Member. Any director

whose removal is sought shall be given notice prior to any meeting called for that purpose. Upon removal of a director, a successor shall be elected by the Class "A" Members to fill the vacancy for the remainder of the term of such director.

Any director elected by the Class "A" Members who has three (3) or more consecutive unexcused absences from Board meetings, or who is more than thirty (30) Days delinquent (or is the resident of a Lot that is delinquent or is the representative of a Member who is delinquent) in the payment of any assessment or other charge due the Association, may be removed by a Majority of the directors, and the Board may appoint a successor to fill the vacancy until the next annual meeting, at which time the Class "A" Members may elect a successor for the remainder of the term.

In the event of the death, disability, or resignation of an elected director or the adoption of a Board resolution increasing the number of directors, the Board may declare a vacancy and appoint a successor to fill the vacancy until the next annual meeting, at which time the Class "A" Members shall elect a successor for the remainder of the term.

This Section shall not apply to directors appointed by the Class "B" Member nor to any director serving as a representative of the Declarant. The Class "B" Member or the Declarant shall be entitled to appoint a successor to fill any vacancy on the Board resulting from the death, disability or resignation of a director appointed by or elected as a representative of the Class "B" Member or the Declarant.

B. Meetings.

3.5 Organizational Meetings. Within thirty (30) Days after the election or appointment of new directors, the Board shall hold an organizational meeting at such time and place as the Board shall set.

3.6 Regular Meetings. Regular meetings of the Board may be held at such time and place as a Majority of the directors shall determine, but at least one (1) such meeting shall be held during each fiscal year.

3.7 Special Meetings. Special meetings of the Board shall be held when called by written notice signed by the president, vice president or by any two (2) directors.

3.8 Notice. Notice of a regular meeting shall be communicated to directors not less than four (4) Days prior to the meeting. Notice of a special meeting shall be communicated to directors not less than seventy-two (72) hours prior to the meeting. No notice need be given to any director who has signed a waiver of notice or a written consent to holding of the meeting. The notice shall specify the time and place of the meeting and, in the case of a special meeting, the nature of any special business to be considered. Notices shall be given to each director by: (a) personal delivery; (b) first class mail, postage prepaid; (c) telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; (d) telecopier transmission to the director's home or office, with confirmation of receipt by the receiving telecopier; (e) telegram, charges prepaid; (f) overnight or same day delivery, charges prepaid; or (g) electronic mail or e-mail using Internet accessible equipment and services if the director has consented in writing to such method of delivery and has provided the Board with an electronic mail or e-mail address. All such notices shall be given at the director's telephone or telecopier number or sent to the director's address as shown on the records of the Association. Notices sent by first class mail shall be deemed communicated when deposited

into a United States mailbox. Notices given by personal, overnight or courier delivery, telephone, telecopier, telegraph, or e-mail shall be deemed communicated when delivered, telephoned, telecopied, e-mailed or given to the telegraph company.

3.9 Waiver of Notice. The transactions of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting also shall be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.10 Participation in Meetings. Members of the Board or any committee designated by the Board may participate in a meeting of the Board or committee by means of telephone conference, video conference, or similar communications equipment, by means of which all persons participating in the meeting can converse with each other. Participation in a meeting pursuant to this Section shall constitute presence in person at such meeting.

3.11 Quorum of Board of Directors. At all meetings of the Board, a Majority of the directors shall constitute a quorum for the transaction of business, and the votes of a Majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board, unless otherwise specifically provided in these By-Laws or the Declaration. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a Majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a Majority of the directors present at such meeting may adjourn the meeting to a time not less than four (4) nor more than twenty (20) Days from the date of the original meeting. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

3.12 Compensation. Directors shall not receive any compensation from the Association for acting as such unless approved by Members representing a Majority of the total Class "A" votes in the Association at a regular or special meeting of the Association. Any director may be reimbursed for expenses incurred on behalf of the Association upon approval of a Majority of the other directors. Nothing herein shall prohibit the Association from compensating a director, or any entity with which a director is affiliated, for services or supplies furnished to the Association in a capacity other than as a director pursuant to a contract or agreement with the Association, provided that such director's interest was made known to the Board prior to entering into such contract and such contract was approved by a Majority of the Board, excluding the interested director.

3.13 Conduct of Meetings. The president shall preside over all meetings of the Board, and the secretary shall keep a minute book of Board meetings, recording all Board resolutions and all transactions and proceedings occurring at such meetings. In the case of a tie vote on a motion or resolution before the Board, the motion or resolution is considered lost.

3.14 Open Meetings. Subject to the provisions of Sections 3.10 and 3.15, all meetings of the Board shall be open to all Members, but Members other than directors may not participate in any discussion or deliberation unless permission to speak is requested on a Member's behalf by a director. In such case, the president may limit the time any Member may speak. Notwithstanding the above, the president may adjourn any meeting of the Board, reconvene in executive session, and exclude Members to discuss matters of a sensitive nature.

3.15 Action Without a Formal Meeting. Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by all of the directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

3.16 Powers. The Board shall have all of the powers and duties necessary for the administration of the Association's affairs and for performing all responsibilities and exercising all rights of the Association as set forth in the Governing Documents and as provided by law. The Board may do or cause to be done all acts and things which the Governing Documents or Georgia law do not direct to be done and exercised exclusively by the membership generally.

3.17 Duties. The duties of the Board shall include, without limitation:

- (a) preparing and adopting, in accordance with the Declaration, an annual budget establishing each Owner's share of the Common Expenses;

- (e) depositing all funds received on behalf of the Association in a bank depository which it shall approve and using such funds to operate the Association, provided any reserve funds may be deposited, in the directors' best business judgment, in depositories other than banks;
- (f) making and amending rules in accordance with the Declaration;
- (g) opening of bank accounts on behalf of the Association and designating the signatories required;
- (h) contracting for repairs, additions, and improvements to or alterations of the Common Area in accordance with the Governing Documents;
- (i) enforcing by legal means the provisions of the Governing Documents and bringing any proceedings which may be instituted on behalf of or against the Owners concerning the Association;
- (j) obtaining and carrying property and liability insurance and fidelity bonds, as provided in the Declaration, paying the cost thereof, and filing and adjusting claims, as appropriate;

(k) paying the costs of all services rendered to the Association;

(l) keeping books with detailed accounts of the receipts and expenditures of the Association;

(m) making available to any Owner, and the holders, insurers, and guarantors of any Mortgage on any Lot, current copies of the Governing Documents and all other books, records, and financial statements of the Association as provided in Section 6.4;

(n) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the Properties; and

(o) indemnifying a director, officer or ARB or committee member, or former director, officer or ARB or committee member of the Association to the extent such indemnity is required or permitted under Georgia law, the Articles of Incorporation or the Declaration.

3.18 Management. The Board may employ for the Association a professional management agent or agents at such compensation as the Board may establish to perform such duties and services as the Board shall authorize. The Board may delegate such powers as are necessary to perform the manager's assigned duties, but shall not delegate policy-making authority. The Declarant or an affiliate of the Declarant may be employed as managing agent or manager.

The Board may delegate to one (1) of its members the authority to act on behalf of the Board on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board.

3.19 Accounts and Reports. The following management standards of performance shall be followed unless the Board by resolution specifically determines otherwise:

(a) cash or accrual accounting, as defined by generally accepted accounting principles, shall be employed;

(b) accounting and controls should conform to generally accepted accounting principles;

(c) cash accounts of the Association shall not be commingled with any other accounts;

(d) no remuneration shall be accepted by the managing agent from vendors, independent contractors, or others providing goods or services to the Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts, or otherwise; any item of value received shall benefit the Association;

(e) any financial or other interest which the managing agent may have in any firm providing goods or services to the Association shall be disclosed promptly to the Board; and

(f) an annual financial report shall be made available to all Members within one hundred twenty (120) Days after the close of the fiscal year. Such annual report may be prepared on an audited, reviewed or compiled basis, as the Board determines.

3.20 Borrowing. The Association shall have the power to borrow money for any legal purpose; provided, however, if the proposed borrowing is for the purpose of making discretionary capital improvements and the total amount of such borrowing, together with all other debt incurred within the previous twelve (12) month period, exceeds or would exceed ten percent (10%) of the budgeted gross expenses of the Association for that fiscal year, the Board shall obtain the approval of Members holding at least sixty-seven percent (67%) of the total votes allocated to Lots prior to borrowing such money.

3.21 Right to Contract: The Association shall have the right to contract with any Person for the performance of various duties and functions. This right shall include, without limitation, the right to enter into common management, operational, or other agreements with trusts, condominiums, cooperatives, or other owners or residents associations, within and outside the Properties.

3.22 Enforcement.

(a) Notice. Prior to imposition of any sanction requiring compliance with these procedures as set forth in the Declaration, the Board or its delegate shall serve the alleged violator with written notice including (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a statement that the alleged violator may present a written request for a hearing to the Board or the covenants committee, if one has been appointed pursuant to Article 5, within fifteen (15) Days of the notice; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a request for a hearing is received within fifteen (15) Days of the notice. If a timely request is not received, the sanction stated in the notice shall be imposed; provided, however, the Board or covenants committee may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the fifteen (15) Day period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person. In the event of a continuing violation, each day the violation continues beyond the fifteen (15) Day period shall constitute a separate offense, and fines may be imposed on a per diem basis without further notice to the violator. In the event of a violation which recurs within one (1) year from the date of any notice hereunder, the Board or covenants committee may impose a sanction without further notice to the violator. The Board may adopt a schedule of sanctions for violations of the Governing Documents.

(b) Hearing. If a hearing is requested within the allotted fifteen (15) Day period, the hearing shall be held before the covenants committee, or if none has been appointed, then before the Board in executive session. The alleged violator shall be afforded a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, director, or delegate who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator or its representative appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed.

(c) Appeal. If a hearing is held before a covenants committee, the violator shall have the right to appeal the committee's decision to the Board. To exercise this right, a written notice of appeal must be received by the manager, president, or secretary of the Association within fifteen (15) Days after the hearing date.

ARTICLE 4. OFFICERS

4.1 Officers. The officers of the Association shall be a president, secretary and treasurer. The president and secretary shall be elected from among the members of the Board; other officers may, but need not be members of the Board. The Board may appoint such other officers, including a vice president, one (1) or more assistant secretaries and one (1) or more assistant treasurers, as it shall deem desirable, such officers to have such authority and perform such duties as the Board prescribes. Any two (2) or more offices may be held by the same person, except the offices of president and secretary.

4.5 Resignation. Any officer may resign at any time by giving written notice to the Board of Directors, the president, or the secretary. Such resignation shall take effect on the date of the receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

4.6 Execution of Instruments. All agreements, contracts, deeds, leases, checks, and other instruments of the Association shall be executed by at least two (2) officers or by *such* other person or persons as may be designated by Board resolution.

4.7 Compensation. Compensation of officers shall be subject to the same limitations as compensation of directors under Section 3.12,

ARTICLE 5. COMMITTEES

5.1 General. The Board may appoint such committees as it deems appropriate to perform such tasks and to serve for such periods as the Board may designate by resolution. Each committee shall operate in accordance with the terms of such resolution. Unless otherwise provided by the Board, committee members shall be eligible Members or residents; provided, however, no Class "A" Member may have more than one (1) representative on a committee at any time. No committee appointed by the Board shall be empowered to take any affirmative action or to bind the Board or the Association

without the consent of the Board.

5.2 Covenants Committee. In addition to any other committees which the Board may establish pursuant to the Declaration and these By-Laws, the Board may appoint a covenants committee consisting of at least three (3) and no more than five (5) members. Acting in accordance with the provisions of the Declaration, these By-Laws, and resolutions the Board may adopt, the covenants committee, if established, shall be the hearing tribunal of the Association and shall conduct all hearings held pursuant to Section 3.22 of these By-Laws.

ARTICLE 6. MISCELLANEOUS

6.1 Fiscal Year. The fiscal year of the Association shall be the calendar year unless the Board establishes a different fiscal year by resolution.

6.2 Parliamentary Rules. Except as may be modified by Board resolution, Robert's Rules of Order Newly Revised (current edition) shall govern the conduct of Association proceedings when not in conflict with Georgia law, the Articles of Incorporation, the Declaration, or these By-Laws.

6.3 Conflicts. If there are conflicts between the provisions of Georgia law, the Articles of Incorporation, the Declaration, and these By-Laws, the provisions of Georgia law, the Declaration, the Articles of Incorporation, and the By-Laws (in that order) shall prevail.

6.4 Books and Records.

(a) Inspection by Members and Mortgagees. The Board shall make available for inspection and copying by any holder, insurer or guarantor of a first Mortgage on a Lot, any Member, or the duly appointed representative of any of the foregoing at any reasonable time and for a purpose reasonably related to his or her interest in a Lot: the Declaration, By-Laws, and Articles of Incorporation, any amendments and supplements to the foregoing, the rules of the Association, and the minutes of meetings of the Members, the Board, and committees. The Board shall provide for such inspection to take place at the office of the Association or at such other place within the Properties as the Board shall designate during normal business hours.

(b) Rules for Inspection. The Board may establish rules with respect to:

- (i) notice to be given to the custodian of the records;
- (ii) hours and days of the week when such an inspection may be made; and
- (iii) payment of the cost of reproducing copies of documents requested.

(c) Inspection by Directors. Every director shall have the absolute right at any reasonable time to

inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make a copy of relevant documents at the expense of the Association.

6.5 Notices. Except as otherwise provided in the Declaration or these By-Laws, all notices, demands, bills, statements, and other communications under the Declaration or these By-Laws shall be in writing and shall be deemed to have been duly given if delivered personally or if sent by United States mail, first class postage prepaid:

(a) if to a Member, at the address which the Member has designated in writing and filed with the secretary or, if no such address has been designated, at the address of the Lot of such Member; or

(b) if to the Association, the Board, or the managing agent, at the principal office of the Association or the managing agent or at such other address as shall be designated by notice in writing to the Members pursuant to this Section.

If mailed, any notice shall be deemed to be delivered when deposited in the United States mail addressed with postage prepaid. To increase flexibility, any Person, including the Association, may consent to or request in writing additional methods of receiving notice, including but not limited to, facsimile or internet e-mail.

6.6 Amendment.

(a) By Declarant. Until termination of the Class "B" membership, the Declarant may unilaterally amend these By-Laws for any purpose. Thereafter, and during the Development Period, the Declarant may unilaterally amend these By-Laws if such amendment is necessary to enable the U. S. Department of Veterans Affairs ("VA"), the U. S. Department of Housing and Urban Development ("HUD"), the Federal Housing Administration ("FHA"), the Federal National Mortgage Association, or the Federal Home Loan Mortgage Corporation to make, purchase, insure or guarantee Mortgage loans on the Lots; provided, however, any such amendment shall not adversely affect the title to any Lot unless the Owner shall consent thereto in writing. In addition, during the Development Period, the Declarant may unilaterally amend these By-Laws for any other purpose, provided the amendment has no material adverse effect upon any right of any Member.

(b) By the Board. The Board shall be authorized to amend these By-Laws without the consent of the Members (i) for the purpose of submitting the Properties to the Georgia Property Owners' Association Act, O.C.G.A. §44-3-220, et seq. (1994) and conforming these By-Laws to any mandatory provisions thereof, and (ii) to correct scrivener's errors and other mistakes of fact, provided that any amendments under this provision have no material adverse effect on the rights of the Members. During the Development Period, any such amendment shall require the consent of the Declarant.

(c) By Members. Except as provided above, these By-Laws may be amended only by the affirmative vote or written consent, or any combination thereof, of Members holding at least sixty-seven percent (67%) of the total Class "A" votes in the Association, and, during the Development Period, the written consent of the Declarant. Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(d) Validity and Effective Date. Any amendment to these By-Laws shall become effective upon recordation in the Public Records, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within six (6) months of its recordation or such

amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of these By-Laws.

No amendment may remove, revoke, or modify any right or privilege of the Declarant or the Class "B" Member without the written consent of the Declarant, the Class "B" Member, or the assignee of such right or privilege.

If a Member consents to any amendment to the Declaration or these By-Laws, it will be conclusively presumed that such Member has the authority to consent and no contrary provision in any Mortgage or contract between the Member and a third party will affect the validity of such amendment.
